Daniel Dormer	1991
Joseph R. Nedrow	1993
Elizabeth M. Bates	1993

GENERAL GOVERNMENT

Board of Selectmen

The commencement of the new decade saw the combination of an economy in decline, State tax revenues dropping precipitously, and an apparent loss of will by the Governor, State Legislature, and the people and interest groups that influence them, to deal with an enormous budget deficit. As this is written, it is apparent that the Fall 1990 State budget balancing compromise failed to accomplish its goal, and more drastic measures will be necessary to restore the fiscal integrity of State government.

The Town of Cohasset is not immune to the economic forces at work State-wide, and in spite of the ringing endorsement of the electorate in support of a ballot question to guarantee a portion of sales and income tax revenues to support local government, it is a certainty that decisions taken to balance the State budget will have a major influence on Town government in the coming year.

Let us hope that the Town can take the necessary steps to adjust to this new economic environment without sacrificing the quality of life and municipal services that our residents have come to expect.

1990 KEY ACTIONS AND APPOINTMENTS

January	Town successfully concludes two major property tax suits, resulting in \$250,000 in unexpected revenue. Water Superintendent Benjamin F. Curley retires; Frank C. J. Hamilton replaces him as Superintendent. Assistant Attorney General vetoes use of George E. Curtis Estate as an Alzheimer's Center.
February	Town commences participation in a multi-town Advanced Life Support effort to upgrade ambulance service.
March	Draft environmental report on Old Colony Railroad released. Selectmen vote to place a \$120,000 general override question on the Municipal Election ballot.
April	Roof replaced on Old Town Hall. Town Meeting approves a new Harbor By-law, Animal Control By-law, and a Handicapped Commission. Major capital expenditures, including the capping of the Landfill, Police/Fire Station renovations, and the acquisition of Lily Pond Estates, were approved. Town Election approves an \$85,000 debt exclusion for Osgood School repairs; defeats seven other articles, including the \$120,000 general override. Blue Cross and Blue Shield of Massachusetts notifies Town of possible non-renewal of health insurance contract.
May	South Shore Coalition proposes a regional recycling program.
June	Selectmen sign contract with Fire Chief expiring December 31, 1991. Flagpole and flag donated by Eagle Flag Company dedicated at Government Island ceremony.
July	Town acquires Lily Pond Estates.

- August** Department of Revenue notifies Town of a \$104,351 reduction in State aid.
Underground gasoline tanks removed from Police/Fire Station with assistance from Highway Department.
- September** Public Works Study and Computer Study Committees are established.
Highway Department constructs new Government Island septic system.
Housing Authority breaks ground on home for the mentally handicapped on Elm Street.
Government Island docks and ramps rebuilt by Harbor Master with volunteer help form local fishermen.
- October** Contract Awarded for design of Cohasset Cove dredging.
Comprehensive Emergency Management Plan developed through co-operation of State and local officials presented to the Town.
Sergeant Richard P. Barrow retires from the Police Department after forty years of service.
Officer Richard J. Abbadessa promoted to Sergeant in the Police Department.
Special Town Meeting held to balance the budget following State Aid cuts.
- November** Near record vote at State election as State tax limitation defeated and referendum in support of aid to cities and town approved.
- December** Proposal for contracting out Town ambulance released.
Renovations to Police/Fire Station commence.
Officer Shellee L. Peters appointed to the Police Department.
Dorothy V. Graham retires for the Assessing Department after forty years of dedicated service to the Town.

ONGOING AGENDA ITEMS:

Aside from the general economic and financial crises facing our community, the community will have to deal with preservation and renewal of its physical plant, i.e., our roads, bridges, public buildings, water system, and machinery and equipment .

The year 1991 will likely see decisions made on whether to expand and upgrade the sewer system, restore the Old Colony Railroad, and whether to initiate various changes in Town government structure.

Fortunately, the Town continues to benefits from the involvement and dedication of its citizens from all walks of life. Support and volunteerism from individuals and civic groups in various community projects have made Cohasset a better place in which to live.

The work of our many dedicated committee and board members, and the continued efforts of Town department heads and staff to provide quality service, deserves notable mention in these difficult times.

Outside agencies, most notably Norfolk County Engineer Alvah. C. Downs and Assistant Civil Engineer Wayne Simpson, made valuable contributions in their tireless efforts in providing technical assistance on a number of public works projects.

The number and variety of challenges never ends, and the Board looks forward to addressing the issues and problems of 1991.

BOARD OF SELECTMEN:

Rocco F. Laugelle, Chairman

Martha K. Gjestebly, Vice Chairman

Jane O. Goedecke

Diana D. Kornet

Edwin H. Tebbetts

- 54 Amend Section 12 of Article VII, SAFETY AND PUBLIC ORDER. Approved.
- 55 Amend Article III of General Bylaws, ELECTED OFFICERS, deleting Subsection (f) of Section 2 and substitute a new subsection (f). Approved.
- 46 Borrow \$480,000 for the closure and capping of the Cedar Street Landfill. Approved.

**Town Clerk's Report
ANNUAL TOWN MEETING
AND SPECIAL TOWN MEETING
SATURDAY, APRIL 7, 1990**

At the Annual Town Meeting held at the Cohasset High School Gymnasium at 10:00 a.m. the following articles were contained in the warrant and acted upon as recorded.

Checkers previously appointed for entrance by the Selectmen were sworn in by the Town Clerk, Frances L. Marks at 9:30 a.m. were Geraldine E. Ainslie, Marion L. Douglas, Margaret C. Hernan, Constance S. Jones and Kathleen M. Rhodes.

Tellers appointed by Moderator William D. Weeks at 10:00 a.m. were Gordon Flint, Arthur L. Lehr, Jr., Robert S. Pape, and Grace R. Tuckerman.

The Moderator called the meeting to order at 10:30 a.m. and a quorum of 100 was present at that time. The Town Clerk, Frances L. Marks, proceeded to read the call of the meeting. Total registered voters checked in on the voting lists totaled 288 voters. Rev. E. Clifford Cutler of St. Stephen's read the invocation.

Members of the Cohasset Boy Scout Troop 28 presented the colors and called the pledge of allegiance to the flag.

**Resolution by Burtram Pratt,
Chairman of the Board of Selectmen**

BE IT RESOLVED THAT:

WHEREAS the Town of Cohasset is served by more than two hundred and fifty men and women who volunteer their time by serving on more than thirty separate Boards, Committees, Councils, and Commissions as well as representing the Town in various regional and state-wide organizations, and

WHEREAS these men and women bring a variety of talent, expertise, and fresh ideas to the boards, committees, and commissions to which they give countless hours of unpaid time, and,

WHEREAS this broad-based citizen participation results in a more responsive town government;

NOW, THEREFORE, be it resolved that the citizens of Cohasset, in Town Meeting assembled on this seventh day of April, 1990, hereby express their sincere gratitude for, and appreciation of, this dedicated volunteer service.

VOTED unanimously by a voice vote.

**Resolution by Liz Buckley,
Earth Day 1990**

WHEREAS, in the twenty years since the first Earth Day, despite environmental improvements, the environmental health of the planet is increasingly endangered by Global Climate Change, Ozone Depletion, Deforestation, Ocean Pollution, Toxic and Nuclear Wastes;

WHEREAS, Earth Day 1990 is a national and international call to action for all citizens to join in a global effort to save the planet;

WHEREAS, Earth Day 1990 activities and events will involve all citizens on the importance of acting in an environmentally sensitive fashion by recycling, conserving energy and water, using efficient transportation, and adopting more ecologically sound lifestyles;

NOW, THEREFORE, BE IT RESOLVED that Cohasset designate and proclaim April 22, 1990 as Earth Day 1990, and that that day shall be set aside for public activities promoting preservation of the global environment and launching the "Decade of the Environment."

VOTED by a voice vote.

Motion for deferred articles by Burtram Pratt, Chariman of the Board of Selectmen.

MOVED: That action under Articles 3, 4, 5, 8, 16, 17, 18, 19, 20, 21, 22, 23, 25, 27, 33, 34, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48 and 49 of the Warrant for this Annual Town Meeting be deferred until an adjourned session of this Meeting to be held on April 23, 1990.

VOTED unanimously by a voice vote.

ARTICLE 1. To act upon the reports of the various town Officers as printed in the Annual Town report for 1989.

MOVED: That the reports of the various Town Officers as printed in the Annual Town Report for 1989 be accepted.

VOTED unanimously by a voice vote.

ARTICLE 2 To hear the reports of any Committee heretofore chosen and act thereon.

MOVED: That the reports of any committee heretofore chosen be heard and accepted and that the Committee continue in office.

VOTED unanimously by a voice vote.

MOVED: That this meeting be recessed for the purpose considering Article 1 through 10 of the Special Town Meeting.

VOTED unanimously by a voice vote.

Special Town Meeting April 7, 1990

ARTICLE 1. To see if the Town will vote to transfer a sum of money from the Sewer

Department account entitled "Influent Flow Meter" (Account No. 5804) to the account entitled "Equipment" (Account No. 5513).

MOVED: That the sum of Six Thousand, Five Hundred and no/100 (\$6,500.00) Dollars be transferred from the Sewer Department account entitled "Influent Flow Meter" (Account No. 5804) to the account entitled "Equipment" (Account No. 5513).

VOTED unanimously by a voice vote.

ARTICLE 2. To see if the Town will vote to transfer a sum of money from the Sewer Department account entitled "Contract Services" (Account No. 5380) to the account entitled "Equipment" (Account No. 5513).

MOVED: That the sum of Seven Thousand and no/100 (\$7,000.00) Dollars be transferred from the Sewer Department account entitled "Contract Services" (Account No. 5380) to the account entitled "Equipment" (Account No. 5513).

VOTED unanimously by a voice vote.

ARTICLE 3. To see if the Town will vote to transfer from the account entitled "Insurance Expense" to the Street Light Account for the sum of Four Thousand, Two Hundred Fifty and no/100 (\$4,250.00) Dollars.

MOVED: That there be transferred from the account entitled "Insurance Expense" to the Street Light Account the sum of Four Thousand, Two Hundred Fifty and no/100 (\$4,250.00) Dollars.

VOTED unanimously by a voice vote.

ARTICLE 4. To see if the Town will transfer from available funds the sum of Three Thousand and no/100 (\$3,000.00) Dollars to purchase and install a personal computer system including hardware and software for the Fire Department.

Motion was rejected by a voice vote.

ARTICLE 5. To see if the town will transfer from available funds a sum of money to be added to the Fire Salaries budget to fund unanticipated overtime costs in Fiscal Year 1990.

MOVED: That the sum of Seventeen Thousand, Six Hundred and no/100 (\$17,600.00) Dollars be transferred from Surplus Revenue to be added to the Fire Department Budget for salaries to fund unanticipated overtime costs in Fiscal Year 1990.

Motion was rejected by a voice vote.

ARTICLE 6. To see if the Town will transfer from available funds the sum of Eleven Thousand and no/100 (\$11,000.00) Dollars to refurbish the Fire Department ladder truck; the sum so transferred to be expended under the direction of the Fire Chief.

MOVED: That the sum of Eleven Thousand and no/100 (\$11,000.00) Dollars be transferred from Surplus Revenue to refurbish the Fire Department ladder truck.

VOTED unanimously by a voice vote.

ARTICLE 7. To see if the Town will transfer from available funds the sum of Fourteen Thousand Five Hundred and no/100 (\$14,500.00) Dollars to purchase a police cruiser; the sum so transferred to be expended under the direction of the Police Chief.

MOVED: That the sum of Fourteen Thousand Five Hundred and no/100 (\$14,500.00) Dollars be transferred from Surplus Revenue to purchase a police cruiser.

Motion is adopted.

It was moved by Richard Connolly for reconsideration of Article 5.

Motion to reconsider was rejected by a voice vote.

ARTICLE 8. To see if the Town will transfer from available funds the sum of Eleven Thousand Three Hundred Thirty-Six and 78/100 (\$11,336.78) Dollars to pay legal fees to Special Counsel: Warner & Stackpole (Four Thousand Nine Hundred Eighty-Five and 61/100 (\$4,985.61) Dollars, matters pertaining to Cohasset Heights); Roche, Carens, & DeGiacomo (One Thousand Two Hundred Thirty-Two and 88/100 (\$1,232.88) Dollars, Harbor Litigations); Stephen Schultz, Esquire (Five Thousand One Hundred Eighteen and 29/100 (\$5,118.29) Dollars, Sewer Department Litigation).

MOVED: That the sum of Eleven Thousand Three Hundred Thirty-Six and 78/100 (\$11,336.78) Dollars be transferred from Surplus Revenue to pay legal fees to Special Counsel apportioned as follows: Warner & Stackpole (Four Thousand Nine Hundred Eighty-Five and 61/100 (\$4,985.61) Dollars, matters pertaining to Cohasset Heights); Roche, Carens & DeGiacomo (One Thousand Two Hundred Thirty-Two and 88/100 (\$1,232.88) Dollars, Harbor Litigation); Stephen Schultz, Esquire (Five Thousand One Hundred Eighteen and 29/100 (\$5,118.29) Dollars, Sewer Department Litigation).

VOTED unanimously by a voice vote.

ARTICLE 9. To see if the Town will vote to authorize the Sewer Commission to establish a procedure for abatement of sewer bills.

MOVED: That action under this Article be indefinitely postponed.

Indefinite postponement voted unanimously by a voice vote.

ARTICLE 10. To see if the Town will transfer from available funds the sum of Eighty One Thousand Three Hundred Sixty-Two and 28/100 (\$81,362.28) Dollars to meet an additional assessment of the Norfolk County Retirement System for the 1990 Fiscal Year.

MOVED: That the sum of Eighty-One Thousand Three Hundred Sixty-Two and 28/100 (\$81,362.28) Dollars be transferred from Surplus Revenue to meet an additional assessment of the Norfolk County Retirement System for the 1990 Fiscal Year.

VOTED unanimously by a voice vote.

MOVED: That this Special Town Meeting be dissolved.

VOTED by a voice vote.

**Resolution by Ronald Goodwin,
Chairman, Board of Water Commissioners**

Be it resolved that:

WHEREAS Benjamin F. Curley has served with the Cohasset Water Department for over 22 years, 8 as Superintendent; and;

WHEREAS we recognize his prior years of service as Sealer of Weights and Measures and Special Police Officer to the Community and;

WHEREAS his contributions and actions on behalf of its citizens will be long remembered by the Town of Cohasset,

Now, therefore, be it resolved that the Citizens of Cohasset proclaim their sincerest gratitude for his long and devoted service and wish him a happy and fulfilling retirement.

VOTED unanimously by a voice vote.

Annual Town Meeting

ARTICLE 6. To see if the Town will assume liability in the manner provided in Section 29 of Chapter 91 of the Massachusetts General Laws for all damages that may be incurred by work to be performed by the Department of Public Works of the Commonwealth

of Massachusetts for the improvements, development, maintenance and protection of tidal and non-tidal rivers and streams, harbors, tidewaters, and foreshores along public beaches, in accordance with Section 11 of Chapter 91 of the Massachusetts General Laws, and authorize the Selectmen to execute a bond of indemnity therefor to the Commonwealth of Massachusetts.

MOVED: That the Town assume liability in the manner provided in Section 29 of Chapter 91 of the Massachusetts General Laws for all damages that may be incurred by work to be performed by the Department of Public Works of the Commonwealth of Massachusetts for the improvements, development, maintenance and protection of tidal and non-tidal rivers and streams, harbors, tidewaters, and foreshores along public beaches, in accordance with Section 11 of Chapter 91 of the Massachusetts General Laws, and that the Selectmen be authorized to execute a bond of indemnity therefor to the Commonwealth of Massachusetts.

VOTED unanimously by a voice vote.

ARTICLE 7. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the Revenue of the fiscal year beginning July 1, 1990, in accordance with the provisions of Massachusetts General Laws, Chapter 44, Section 4 and to issue a note or notes therefor payable within one year, and to renew any note or notes as may be given for any period less than one year in accordance with Massachusetts General Laws, Chapter 44, Section 17.

MOVED: That the Town Treasurer, with the approval of the Board of Selectmen, be authorized to borrow money from time to time in anticipation of the Revenue of the fiscal year beginning July 1, 1990, in accordance with the provisions of Massachusetts General Laws, Chapter 44, Section 4 and to issue a note or notes therefor payable within one year, and to renew any note or notes as may be given for any period less than one year in accordance with Massachusetts General Laws, Chapter 44, Section 17.

VOTED unanimously by a voice vote.

ARTICLE 9. To see if the Town will vote to authorize the Board of Selectmen to accept a gift of a parcel of land from Clifford Mitman, Jr. and Mildred A. Mitman, which land is located off South Main Street, consisting of approximately 80,000 square feet of land and is shown as Parcel No. 17 on Assessors' Map 48, a copy of a portion of which is on file with the office of the Town Clerk and endorsed, "Plan Article 9".

MOVED: That the Board of Selectmen be authorized to accept a gift of a parcel of land from Clifford Mitman, Jr. and Mildred A. Mitman, which land is located off South Main Street, consisting of approximately 80,000 square feet of land and is shown as Parcel No. 17 on Assessors' Map 48, a copy of a portion of which is on file with the office of the Town Clerk and endorsed, "Plan Article 9".

A 2/3 vote is required

VOTED unanimously by a voice vote.

ARTICLE 10. To see if the Town will vote to accept the provisions of Massachusetts General Laws, Chapter 143, Section 3Y which mandates that the Building Inspector shall be appointed for a minimum term of three years; and further to see if the Town will vote to amend Article IV of the General Bylaws, **APPOINTED TOWN OFFICERS**, by deleting Subsection (a) of Section 6 and substituting the following Subsection (a) of Section 6: "(a) The Building Inspector shall be appointed by the Board of Selectmen for a term of three (3) years.

He shall have at least five (5) years' experience in the supervision of building construction of design, or a two (2) year associate degree in a related field.

MOVED: That provisions of Massachusetts General Laws, Chapter 143, Section 3Y which mandates that the Building Inspector shall be appointed for minimum of three years be accepted; and further that Article IV of the General Bylaws, **APPOINTED TOWN OFFICERS**, be amended by deleting Subsection (a) of Section 6 and substituting the following Subsection (a) of Section 6:

“(a) The Building Inspector shall be appointed by the Board of Selectmen for a term of three (3) years. He shall have at least five (5) years experience in the supervision of building construction or design, or a two (2) year associate degree in a related field.”

VOTED unanimously by a voice vote.

ARTICLE 11 To see if the Town will vote to amend Article IV of the General Bylaws, **APPOINTED TOWN OFFICERS**, by deleting Subsection (b) of Section 4 dealing with the compensation of the Police Chief and substituting the following Subsection (b) of Section 4 dealing with the compensation of the Police Chief and substituting the following Subsection (b) of Section J4; “(b) He shall be compensated as determined by the Board of Selectmen.

MOVED: That Article IV of the General Bylaws, **APPOINTED TOWN OFFICERS**, be amended by deleting Subsection (b) of Section 4 dealing with the compensation of the Police Chief and substituting the following Subsection (b) of Section 4:

“(b) He shall be compensated as determined by the Board of Selectmen.”

VOTED by a voice vote. Seven people questioned the Moderator. A hand count was taken — Yes 119; No 64. Motion passes.

ARTICLE 12. To see if the Town will vote to amend Article IV of the General Bylaws, **APPOINTED TOWN OFFICERS**, by deleting Paragraph (b) of Section 5 dealing with the compensation of the Fire Chief and substituting the following Paragraph (b) of Section J5: “(b) He shall be compensated as determined by the Board of Selectmen.”

MOVED: That Article IV of the General Bylaws, **APPOINTED TOWN OFFICERS**, be amended by deleting Paragraph (b) of Section 5 dealing with the compensation of the Fire Chief and substituting the following Paragraph (b) of Section 5:

“(b) He shall be compensated as determined by the Board of Selectmen.”

VOTED unanimously by a voice vote.

ARTICLE 13.

To see if the Town will vote to amend Article XI of the General By-laws, **PERSONNEL CLASSIFICATION & COMPENSATION PLAN**, by deleting the second paragraph of Section 5, Subsection (b) and substituting the following in its place: “New employees are normally hired at the minimum rate of pay (“minimum rate rule”) unless otherwise authorized by the Personnel Committee. Requests for exception to the minimum rate rule are to be submitted in writing to the Personnel Committee prior to the hiring of the employee to which the request relates. The written request shall set forth reasons for the exception to the minimum rate rule and shall be supported by appropriate documentation.”; and further to see if the Town will vote to amend Subsection (d) of the same Article and Section by deleting the first paragraph thereof and substituting the following in its place: “A non-exempt employee whose position is reclassified, upgraded, or who receives a promotion, shall receive the rate in the new compensation grade next above his existing rate (“one step

rule”). If such new compensation grade results in an increase of compensation of less than five (5%) percent, then the employee shall advance an additional step at the discretion of the Personnel Committee. Requests for exception to the one step rule are to be submitted in writing to the Personnel Committee prior to the reclassification or upgrading of the employee to which the request relates. The written request shall set forth the reasons for the exception to the one step rule and shall be supported by appropriate documentation.”; and further to see if the Town will vote to add a new second paragraph to Subsection (d) which shall provide as follows: “If the reclassification, upgrade or promotion is from a non-exempt position to that of an exempt position, the employee so reclassified, upgraded or promoted shall receive the minimum rate of the new compensation grade (“minimum rate standard”). If such new compensation grade results in an increase in compensation of less than nine (9%) percent, then the employee shall advance an additional step at the discretion of the Personnel Committee. Requests for exception to the minimum rate standard are to be submitted in writing to the Personnel Committee prior to the reclassification, upgrade or promotion of the employee to which the request relates. The written request shall set forth the reasons for the exception to the minimum rate standard and shall be supported by appropriate documentation.”;

ARTICLE 13

MOVED: That Article XI of the General By-laws, **PERSONNEL CLASSIFICATION & COMPENSATION PLAN**, be amended by deleting the second paragraph of Section 5, Subsection (b) and substituting the following in its place:

“New employees are normally hired at the minimum rate of pay (“minimum rate rule”) unless otherwise authorized by the Personnel Committee. Requests for exception to the minimum rate rule are to be submitted in writing to the Personnel Committee prior to the hiring of the employee to which the request relates. The written request shall set forth reasons for the exception to the minimum rate rule and shall be supported by appropriate documentation.”;

and further that Subsection (d) of the same Article and Section be amended by deleting the first paragraph thereof and substituting the following in its place:

“A non-exempt employee whose position is reclassified, upgraded, or who receives a promotion, shall receive the rate in the new compensation grade next above his existing rate (“one step rule”). If such new compensation grade results in an increase of compensation of less than five (5%) percent, then the employee shall advance an additional step at the discretion of the Personnel Committee. Requests for exception to the one step rule are to be submitted in writing to the Personnel Committee prior to the reclassification or upgrading of the employee to which the request relates. The written request shall set forth the reasons for the exception to the one step rule and shall be supported by appropriate documentation.”;

and further that a new second paragraph be added to Subsection (d) which shall provide as follows:

“If the reclassification, upgrade or promotion is from a non-exempt position to that of an exempt position, the employee so reclassified, upgraded or promoted shall receive the minimum rate of the new compensation grade (“minimum rate standard”). If such new compensation grade results in an increase in compensation of less than nine (9%)

percent, then the employee shall advance an additional step at the discretion of the Personnel Committee. Requests for exception to the minimum rate standard are to be submitted in writing to the Personnel Committee prior to the reclassification, upgrade or promotion of the employee to which the request relates. The written request shall set forth the reasons for the exception to the minimum rate standard and shall be supported by appropriate documentation."

VOTED unanimously by a voice vote.

ARTICLE 14. To see if the Town will vote to authorize the Board of Selectmen to sell at private or public sale the real property improved by the West Corner Fire Station located on Hull Street, which is shown as Parcel 1, Assessors' Map 54, a copy of a portion of which is on file with the office of the Town Clerk and endorsed, "Plan Article 14," or alternatively to authorize the Board of Selectmen to lease such property for a term of years on terms and conditions they deem in the best interest of the Town.

MOVED: That this Article be indefinitely postponed.

Indefinite postponement voted unanimously by a voice vote.

ARTICLE 15. To see if the Town will vote to authorize the Board of Selectmen to sell at private or public sale a portion of the real property improved by the Bates Building located at 43 Elm Street, which is shown as a portion of Parcel 16 on Assessors' Map 27, a copy of a portion of which is on file with the office of the Town Clerk and endorsed, "Plan Article 15"; or alternatively to authorize the Board of Selectmen to lease such property for a term of years on terms and conditions they deem in the best interest of the Town.

MOVED: Action under this Article be indefinitely postponed.

Indefinite postponement voted unanimously by a voice vote.

**Resolution by Burtram Pratt,
Chairman of the Board of Selectmen**

RESOLVED: That the Board of Selectmen be authorized to lease the Bates Building on such terms and conditions as they deem appropriate pending a decision with regard to the sale of the building.

VOTED by a voice vote.

ARTICLE 24. To see if the Town will vote to authorize the Board of Selectmen to accept a gift of a parcel of land from D.J. Buckley Co., which land is located off of Forest Avenue, and is shown as Parcel 82 on Assessors' Map 11, a copy of a portion of which is on file with the office of the Town Clerk endorsed, "Plan Article 24".

MOVED: That action under this Article be indefinitely postponed.

Indefinite postponement voted unanimously by a voice vote.

**Resolution by Alfred S. Moore, Jr.
Chairman, Cohasset Planning Board**

WHEREAS Patrick A. Plante has given generously of his time and talent for the past ten years on the Cohasset Planning Board, and

WHEREAS his devotion to the community has been paramount, and

WHEREAS the Cohasset Planning Board has enjoyed the benefit of his ability on behalf of zoning and planning interests of the Town of Cohasset.

NOW THEREFORE BE IT RESOLVED THAT THIS Town Meeting extend its sincere appreciation and thanks to retiring Planning Board Member, Patrick A. Plante.

VOTED unanimously by a voice vote.

ARTICLE 26.

To see if the Town will vote to amend Article IX of the General By-Laws, HARBOR, by deleting it in its entirety and substituting the following Article IX:

MOVED: That Article IX of the General By-Laws, HARBOR, be amended by deleting in its entirety and substituting the following Article IX:

ARTICLE IX

Harbor

SECTION 1. DEFINITIONS:

- (a) "Boat Owner" shall mean an individual or entity having legal ownership of a boat.
- (b) "Cohasset Harbor" consists of the body of water lying inside a straight line projected across the channel from No. four (4) dolphin at White Head at Long's Point to White Head and shall not include the channel extending seaward beyond that point.
- (c) "Harbor Master" shall include the Harbor Master, Assistant Harbor Master, and Deputy Harbor Masters, all duly appointed by the Board of Selectmen.
- (d) "Boat" shall include every type of watercraft used or capable of being used as a means of transportation on water, other than a seaplane.
- (e) "Length of Boat" shall mean the length overall from the fixed most forward point of the boat or its extremities to the point furthest aft, including, without limitation, parts affixed to the boat such as bow pulpits, bowsprits, boomkins, mizzen booms, rudders, swim platforms, and outboard motors in raised position.
- (f) "Skin Diver" shall mean swimmers using fins, masks, snorkel tubes, or self-contained underwater breathing apparatus.
- (g) "Prudent Seamanship" shall mean having regard for the lives and safety of the public, state of visibility, traffic density, maneuverability of vessels, state of the wind, current, and water and the current Rules of the Road.
- (h) "Individual" shall mean natural person.
- (i) "Mooring Holder" shall mean an individual or entity holding a valid mooring permit.
- (j) "Tender" shall refer to a skiff or dinghy used to transport individuals or property from shore to a boat moored within Cohasset Harbor.

SECTION 2. MOORINGS:

- (a) (i) An approved mooring permit (hereinafter "permit") from the Harbor Master is required for installation of mooring tackle for any boat, float, or lobster car/pound within the limits of Cohasset Harbor. The application for a permit shall be that prescribed by the Board of Selectmen on the form entitled "Application for Mooring Location", dated April 1985, as revised from time to time.
- (ii) No permit shall be issued to a corporation, trust, partnership, joint venture, or other entity nor shall a permit be held in joint tenancy, tenancy in common, or other form of joint ownership; provided, however, that permits shall continue to be issued from year to year in accordance with all provisions of these By-Laws and regulations promulgated by the Harbor Master to those entities currently

holding permits which operate clubs or marine-related businesses adjacent to Cohasset Harbor.

(iii) The Harbor Master shall issue or deny a request for a permit within fifteen (15) days of the date of application. The Harbor Master shall keep accurate records and books and shall issue a signed copy of the "Application for Mooring Location" to the applicant and file a copy at the office of the Selectmen.

(iv) The "Application for Mooring Location" shall contain such information as required by the Harbor Master. The Harbor Master shall ensure that a signed copy of the "Application for Mooring Location" is on file in the office of the Harbor Master for all boat owners with an assigned mooring location.

(v) Once issued, no mooring permit shall be renewed unless the boat owner has regularly moored his boat in Cohasset Harbor during the preceding year and has paid an excise tax on his boat to the Town of Cohasset. If the boat owner wishes to remove his boat from Cohasset Harbor for a period in excess of seven (7) days, the Harbor Master must be notified in advance of such removal.

(vi) All mooring tackle shall be constructed in accordance with the "Mooring Specifications for Cohasset Harbor", as revised from time to time by the Harbor Master (hereinafter called the "Specifications") and on file with the Harbor Master, and shall not be set or moved without first being inspected by and the move approved by the Harbor Master.

(vii) No boat with a length overall in excess of forty-five (45) feet shall be assigned a mooring location or slip in Cohasset Harbor.

(viii) Mooring locations shall not be sold, bequeathed, transferred, swapped, bartered, rented, or leased. In the event of the death of a mooring holder, the Harbor Masters shall offer to assign the mooring location to the deceased mooring holder's surviving spouse. The surviving spouse shall have ninety (90) days after receipt of the written offer from the Harbor Master in which to accept, by written response, such assignment. If the assignment is not accepted in writing within such ninety (90) day period, the mooring location shall be reassigned in accordance with these By-Laws and regulations governing Cohasset Harbor. The Harbor Master shall make the written offer to the surviving spouse as soon as reasonably practicable after learning of the deceased mooring holder's death. Upon the death of the surviving spouse, the mooring location shall revert to the Town of Cohasset.

(ix) No individual or entity may be assigned more than one mooring. The mooring location assigned is restricted to the boat assigned to that location, and no other boat may occupy that location without the permission of the Harbor Master.

(x) A mooring location waiting list shall be maintained by the Harbor Master, using the date on the "Application for Mooring Location" as the basis for position on the list. All persons must reaffirm their position on the waiting list by April 1 of each year with the Harbor Master. A record of reaffirmation shall be kept on the "Application for Mooring Location" form on file with the Harbor Master. Persons not reaffirming shall be removed from the list.

(xi) (A) Those persons or entities holding permits from the Harbor Master to install mooring tackle and moor their boats in Cohasset Harbor, shall pay a mooring fee and receive a decal by April 1 of each year. Upon failure to pay the mooring fee, the Harbor Master shall remove the individual's or entity's mooring tackle from the harbor, at the expense of the individual or entity failing to pay the mooring fee.

(B) All other persons and entities owning boats, other than unregistered tenders, who have a continuous right to moor such boat at any privately-owned mooring, pier, wharf, or float, within the confines of Cohasset Harbor shall pay a user's fee as set by the Board of Selectmen from time to time and shall receive a decal by April 1 of each year. Upon failure to pay the user's fee, the Harbor Master shall pursue such remedies as are available under the terms of these Harbor By-Laws and regulations promulgated by the Harbor Master, the general By-Laws of the Town of Cohasset or the laws of the Commonwealth of Massachusetts.

(xii) All boats moored or berthed in Cohasset Harbor shall display either a mooring decal or a user's decal on the aft port quarter of the boat to indicate that the appropriate fee has been paid and the boat owner has authorization to place the boat on a particular mooring or be otherwise moored in Cohasset Harbor.

(xiii) the owners of all boats moored or berthed in Cohasset Harbor not displaying either a mooring decal or a user's decal shall, during certain times of the year as prescribed by the Board of Selectmen, pay a temporary per diem fee as set by the Board of Selectmen annually on or before July 1.

(xiv) A boat moored or berthed in violation of this Article of the By-Laws or without permission from the Harbor Master shall be removed from its mooring and stored at the owner's expense. Payment for removal and storage shall be made before the boat is released to the boat owner.

(b) (i) If the Harbor Master determines that the mooring tackle conforms to the specifications, he shall issue a permit and assign a location if one is available. If the Harbor Master determines that the mooring tackle does not conform to the specifications or for other valid reasons deems it improper to issue a mooring permit, he shall refuse to do so.

(ii) The Harbor Master shall promulgate regulations with respect to the care and maintenance of mooring tackle, the temporary assignment of boats to moorings and with regard to such other matters pertaining to the mooring of boats as is consistent with this By-Law and the authority conferred upon the Harbor Master by the laws of the Commonwealth of Massachusetts.

(c) (i) In the event a boat owner sells or otherwise disposes of the boat described on the "Application for Mooring Location", the boat owner may retain the mooring location for another boat if the following conditions are met:

(A) The Harbor Master is notified by the boat owner within thirty (30) days of the transaction relating to the sale or other disposition of the boat and of the boat owner's intention to place another boat on the mooring location.

(B) The boat replacing that described on the original "Application for

Mooring Location” must be, in the judgement of the Harbor Master, approximately the same size.

(C) The boat owner obtains the Harbor Master’s approval to place a different boat on the existing mooring location on or before July 31st of the year next after the year of sale or other disposition of the original boat.

(ii) Failure to fulfill the above conditions by the boat owner shall terminate the boat owner’s permit, and the mooring location may be reassigned to another boat owner.

SECTION 3.

The boat owner or operator thereof shall not permit a boat to be operated at a speed in excess of four (4) nautical miles per hour or cause a disturbing wake and shall use prudent steamship within the confines of Cohasset Harbor.

SECTION 4.

Any person skin diving in Cohasset Harbor shall on each occasion obtain the prior permission of the Harbor Master and shall:

(a) display a diver’s flag not less than twelve (12) inches square consisting of a red field and a white diagonal stripe.

(b) display such flag on a float or other similar device upright at a height sufficient to be visible to passing boats.

(c) tow such float and flag with him while he is submerged in the water, except that for commercial purposes, permission in writing may be granted by the Harbor Master to display flags in another manner.

(d) be required to operate only from a boat attended by another person.

SECTION 5.

No person shall operate a boat in Cohasset Harbor while towing a water skier, aquaplane, or other similar device except in connection with a water carnival and exhibition authorized by the Selectmen or in an area designated by the Selectmen. No person shall swim or dive from town or private piers or floats within Cohasset Harbor unless enrolled in an organized instructional program permitted by the Harbor Master. No swimming is permitted near or in a navigational channel, fairway or an area where vessels normally navigate. No person shall operate a boat in Little Harbor while towing a water skier, aqua plane or other similar device except on even numbered days.

SECTION 6.

No person shall discharge, deposit, or throw overboard into the harbor, oil, refuse, bait or any similar type of waste.

SECTION 7.

Small sailing classes will be allowed to race within Cohasset Harbor when under the jurisdiction of an authorized committee recognized by the Harbor Master. Such small boats shall respect the maneuvering problem of larger vessels in the harbor and shall be equipped with gunwale guards and shall make every reasonable effort to prevent damage to other boats moored in the Harbor.

SECTION 8.

The Harbor Master shall be responsible for town landings, floats and piers and may promulgate regulations with respect to the use thereof.

SECTION 9.

Nothing contained herein shall be held or construed to supersede, conflict, or interfere

with, or limit the jurisdiction of the United States Government with respect to the enforcement of the navigation, shipping, anchorage, and associated laws of the United States, or any lawful regulation of any department of the Commonwealth of Massachusetts having jurisdiction over boats, harbors, or navigable waters.

SECTION 10

Any violation of the provisions of the Article of this General By-Laws of the Town of Cohasset shall be subject to the penalty set forth in Article I, Section 1(f); and nothing contained herein shall preclude the Harbor Master from seeking other appropriate relief including, without limitation, injunctive relief in the appropriate court having jurisdiction.”
Amendment to the main motion by J. Edmund Martin.

ARTICLE IX HARBOR

SECTION 1 DEFINITIONS:

- (a) “Boat Owner” shall mean an individual or entity having legal ownership of a boat.
- (b) “Cohasset Harbor” consists of the body of water laying inside a straight line projected across the channel from White Head dolphin at Long’s Point to White Rock and shall not include the channel extending seaward beyond that point.
- (c) “Harbor Master” shall include the Harbor Master, Assistant Harbor Master, and Deputy Harbor Masters, all duly appointed by the Board of Selectmen.
- (d) “Boat” shall include every type of watercraft used or capable of being used as a means of transportation on water, other than a seaplane.
- (e) “Length of Boat” shall mean the length overall from the fixed most forward point of the boat or its extremities to the point furthest aft, including without limitations, parts affixed to the boat such as bow pulpits, bowsprits, boomkins, mizzen booms, rudders, swim platforms, and outboard motors in raised position.
- (f) “Skin Diver” shall mean swimmers using fins, masks, snorkel tubes, or self-contained underwater breathing apparatus.
- (g) “Individual” shall mean natural person.
- (h) “Mooring Holder” shall mean an individual or entity holding a valid mooring permit.
- (i) “Tender” shall refer to a skiff or dinghy used to transport individuals or property from shore to a boat moored within Cohasset Harbor.
- (k) Commercial Moorings shall mean those moorings allocated for business usage.
- (l) Non Commercial Moorings shall mean all other moorings.

SECTION 2. MOORINGS:

I. Non Commercial Moorings:

- (a) (i) An approved mooring permit (hereinafter “permit”) from the Harbor Master is required for installation of mooring tackle for any boat, float, or lobster car/pound within the limits of Cohasset Harbor. The application for a permit shall be that prescribed by the Board of Selectmen on the form entitled, “Application for Mooring Location”, dated April 1985, as revised from time to time.
- (ii) No permit shall be issued to a corporation, trust, partnership, joint venture, or other entity nor shall a permit be held in joint tenancy, tenancy in common, or other form of joint ownership; provided, however, that permits shall continue to be issued from year to year in accordance with all provisions of these By-Laws and

regulations promulgated by the Harbor Master to those entities currently holding permits which operate clubs or marine-related businesses adjacent to Cohasset Harbor.

(iii) The Harbor Master shall issue or deny a request for a permit within fifteen (15) days of the date of application. The Harbor Master shall keep accurate records and books and shall issue a signed copy of the "Application for Mooring Location" to the applicant and file a copy at the office of the Selectmen.

(iv) The "Application for Mooring Location" shall contain such information as required by the Harbor Master. The Harbor Master shall insure that a signed copy of the "Application for Mooring Location" is on file in the office of the Harbor Master for all boat owners with an assigned mooring location.

(v) Once issued, no mooring permit shall be renewed unless the boat owner has regularly moored his boat in Cohasset Harbor during the preceding year and has paid an excise tax on his boat to the Town of Cohasset. If the boat owner wishes to remove his boat from Cohasset Harbor for a period in excess of seven (7) days, the Harbor Master must be notified in advance of such removal.

(vi) All mooring tackle shall be constructed in accordance with the "Mooring Specifications for Cohasset Harbor", as revised from time to time by the Harbor Master (hereinafter called the "Specifications") and on file with the Harbor Master, and shall not be set or moved without first being inspected by and the move approved by the Harbor Master.

(vii) No boat with a length overall in excess of forty-five (45) feet shall be assigned a mooring location or slip on Cohasset Harbor.

(viii) Mooring locations shall not be sold, bequeathed, transferred, swapped, bartered, rented or leased. In the event of the death of a mooring holder, the Harbor Master shall offer to assign the mooring location to the deceased mooring holder's surviving spouse. The surviving spouse shall have ninety (90) days after receipt of the written offer from the Harbor Master in which to accept, by written response, such assignment. If the assignment is not accepted in writing within such ninety (90) day period, the mooring location shall be reassigned in accordance with these By-Laws and regulations governing Cohasset Harbor. The Harbor Master shall make the offer to the surviving spouse as soon as reasonably practicable after leaving of the deceased mooring holder's death. Upon the death of the surviving spouse, the mooring location shall revert to the Town of Cohasset.

(ix) No individual or entity may be assigned more than one mooring. The mooring location assigned is restricted to the boat assigned to that location, and no other boat may occupy that location without the permission of the Harbor Master.

(x) A mooring location waiting list shall be maintained by the Harbor Master, using the date on the "Application for Mooring Location" as the basis for position on the list. All persons must reaffirm their position on the waiting list by April 1 of each year with the Harbor Master. A record of reaffirmation shall be kept on the "Application for Mooring Location"; form on file with the Harbor Master. Persons not reaffirming shall be removed from the list.

(xi) (A) Those persons or entities holding permits from the Harbor Master to install mooring tackle and moor their boats in Cohasset Harbor, shall pay a mooring fee, and receive a decal by April 1 of each year. Upon failure to pay the mooring fee, the Harbor Master shall remove the individual's or entity's mooring tackle from the harbor, at the expense of the individual or entity failing to pay the mooring fee.

(B) All other persons and entities owning boats, other than unregistered tenders, who have a continuous right to moor such boat at any privately owned mooring, pier, wharf, or float, within the confines of Cohasset Harbor shall pay a user's fee as set by the Board of Selectmen from time to time and shall receive a decal by April 1 of each year. Upon failure to pay the user's fee, the Harbor Master shall pursue such remedies as are available under the terms of these Harbor By-Laws and regulations promulgated by the Harbor Master, the general By-Laws of the Town of Cohasset or the laws of the Commonwealth of Massachusetts.

(xiii) The owners of all boats moored or berthed in Cohasset Harbor not displaying either a mooring decal or a user's decal shall, during certain times of the year as prescribed by the Board of Selectmen, pay a temporary per diem fee as set by the Board of Selectmen annually on or before July 1.

(xiv) A boat moored or berthed in violation of this Article of the By-Laws or without permission from the Harbor Master shall be removed from its mooring and stored at the owner's expense. Payment for renewal and storage shall be made before the boat is released to the boat owner.

(b) (i) If the Harbor Master determines that the mooring tackle conforms to the specification, he shall issue a permit and assign a location if one is available. If the Harbor Master determines that the mooring tackle does not conform to the specifications or for other valid reasons deems it improper to issue a mooring permit, he shall refuse to do so.

(ii) The Harbor Master shall promulgate regulations with respect to the care and maintenance of mooring tackle, the temporary assignment of boats to moorings and with regard to such other matters pertaining to the mooring of boats as is consistent with this By-Law and the authority conferred upon the Harbor Master by the laws of the Commonwealth of Massachusetts.

(c) (i) In the event a boat owner sells or otherwise disposes of the boat described on the "Application for Mooring Location", the boat owner may retain the mooring location for another boat if the following conditions are met:

(A) The Harbor Master is notified by the boat owner within thirty (30) days of the transaction relating to the sale or other disposition of the boat and of the boat owner's intention to place another boat on the mooring location.

(B) The boat replacing that described on the original "Application for Mooring Location" must be, in the judgement of the Harbor Master, approximately the same size.

(C) The boat owner obtains the Harbor Master's approval to place a different boat on the existing mooring location on or before July 31st of the year next after the year of sale or other disposition of the original boat.

(ii) Failure to fulfill the above conditions by the boat owner shall terminate the boat owner's permit, and the mooring location may be reassigned to another boat owner.

II. Commercial Moorings:

- (a) (i) An approved mooring permit (hereinafter "permit") from the Harbor Master is required for installation of mooring tackle for any boat, float, or lobster car/pound within the limits of Cohasset Harbor. The application for a permit shall be that prescribed by the Board of Selectmen on the form entitled, "Application for Mooring Location", dated April 1985, as revised from time to time.
- (ii) Permits shall be issued to Individuals, Partnerships or Corporations.
- (iii) The Harbor Master shall issue or deny a request for a permit within fifteen (15) days of the date of application. The Harbor Master shall keep accurate records and books and shall issue a signed copy of the "Application for Mooring Location" to the applicant and file a copy at the office of the selectmen.
- (iv) The "Application for Mooring Location" shall contain such information as required by the Harbor Master. The Harbor Master shall ensure that a signed copy of the "Application for Mooring Location" is on file in the office of the Harbor Master for all boats owners with an assigned mooring location.
- (v) Once issued, no mooring permit shall be renewed unless the boat owner has regularly moored his boat in Cohasset Harbor during the preceding year and has paid an excise tax on his boat to the Town of Cohasset. If the boat owner wishes to remove his boat from Cohasset Harbor for a period in excess of seven (7) days, the Harbor Master must be notified in advance of such removal.
- (vi) All mooring tackle shall be constructed in accordance with the "Mooring Specifications for Cohasset Harbor", as revised from time to time by the Harbor Master (hereinafter called the "Specifications") and on file with the Harbor Master, and shall not be set or moved without first being inspected by and the move approved by the Harbor Master.
- (vii) No boat with a length overall in excess of forty-five (45) feet shall be assigned a mooring location or slip in Cohasset Harbor.
- (viii) Mooring locations shall not be sold, bequeathed, transferred, swapped, bartered, rented or leased.

(A) In the event of the death of an individual holding a "permit" it is understood that every effort shall be made to preserve the livelihood and income of the family of the deceased by continuing the permit within the immediate family defined as the spouse, children and grandchildren. The Harbormaster will offer to continue the "permit" as long as the immediate family are actively involved in the operation of the boat.

(B) In the event of the death of a Partner of a Partnership holding a "permit" the Harbormaster will offer to continue the "permit" to the surviving partner or partners with no further offers to continue beyond the death or deaths of the surviving partners.

(C) In the event of the death of the Principal Stockholder of a Corporation the Harbormaster will continue to issue the permit so long as the majority of the stock is owned by the immediate family as defined in paragraph (A) above and the

immediate family is actively involved in the operations of the boat.

(D) To assist the Harbormaster in the event of a dispute as to the facts involved an arbitration panel will be formed from a pool of the Commercial Boatowners with one number of the panel selected by each of the two sides involved and these two members will select the third member of the panel.

(ix) No individual or entity may be assigned more than one mooring. The mooring location assigned is restricted to the boat assigned to that location, and no other boat may occupy that location without the permission of the Harbor Master.

(x) A mooring location waiting list shall be maintained by the Harbor Master, using the date on the "Application for Mooring Location" as the basis for position on the list. All persons must reaffirm their position on the waiting list by April 1 of each year with the Harbor Master. A record of reaffirmation shall be kept on the "Application for Mooring Location"; form on file with the Harbor Master. Persons not reaffirming shall be removed from the list.

(xi) (A) Those persons or entities holding permits from the Harbor Master to install mooring tackle and moor their boats in Cohasset Harbor, shall pay a mooring fee and receive a decal by April 1 of each year. Upon failure to pay the mooring fee, the Harbor Master shall remove the individual's or entity's mooring tackle from the harbor, at the expense of the individual or entity failing to pay the mooring fee.

(B) All other persons and entities owning boats, other than unregistered tenders, who have a continuous right to moor such boat at any privately-owned mooring, pier, wharf, or float, within the confines of Cohasset Harbor shall pay a user's fee as set by the Board of Selectmen from time to time and shall receive a decal by April 1 of each year. Upon failure to pay the user's fee, the Harbor Master shall pursue such remedies as are available under the terms of these Harbor By-Laws and regulations promulgated by the Harbor Master, the general By-Laws of the Town of Cohasset or the laws of the Commonwealth of Massachusetts.

(xiii) The owners of all boats moored or berthed in Cohasset Harbor not displaying either a mooring decal or a user's decal shall, during certain times of the year as prescribed by the Board of Selectmen, pay a temporary per diem fee as set by the Board of Selectmen annually on or before July 1.

(xiv) A boat moored or berthed in violation of this Article of the By-Laws or without permission from the Harbor Master shall be removed from its mooring and stored at the owners' expense. Payment for removal and storage shall be made before the boat is released to the boat owner.

(b) (i) If the Harbor Master determines that the mooring tackle conforms to the specification, he shall issue a permit and assign a location if one is available. If the Harbor Master determines that the mooring tackle does not conform to the specifications or for other valid reasons deems it improper to issue a mooring permit, he shall refuse to do so.

(ii) The Harbor Master shall promulgate regulations with respect to the care and maintenance of mooring tackle, the temporary assignment of boats to moorings and with regard to such other matters pertaining to the mooring of boats as is consistent with this By-Law and the authority conferred upon the Harbor Master

by the laws of the Commonwealth of Massachusetts.

- (c) (i) In the event a boat owner sells or otherwise disposes of the boat described on the "Application for Mooring Location", the boat owner may retain the mooring location for another boat if the following conditions are met:

(A) The Harbor Master is notified by the boat owner within thirty (30) days of the transaction relating to the sale or other disposition of the boat and of the boat owner's intention to place another boat on the mooring location.

(B) The boat replacing that described on the original "Application for Mooring Location" must be, in the judgement of the Harbor Master, approximately the same size.

Amendment is defeated by a voice vote.

VOTED main motion under Article 26 is adopted by a voice vote.

MOVED: That this Annual Town Meeting be adjourned to Saturday, April 14, 1990 at 8:00 a.m. for the Town Election at Town Hall.

VOTED unanimously by a voice vote at 5:35 p.m.

MONDAY EVENING — APRIL 23, 1990

Checkers previously appointed and sworn in reported to work at 7:00 p.m. Tellers reported at 7:30 p.m. with Raymond Buckley and Rose Pape replacing Gordon Flint and Robert Pape. The Moderator called the meeting to order at 7:55 p.m. A total of 289 voters checked in on Monday.

Resolution by Raymond Kasperowicz, Chairman of the Advisory Committee

MOVED that it be resolved that this Town Meeting acknowledge its appreciation to Jane Goedecke for the hard work, diligence, attention to detail, and effectiveness that marked her four and a half years on the Advisory Committee. As its chairman for two and one half years, Jane had the joyless task (which in political rhetoric is referred to as a "challenge") of helping guide the Town thru the uncharted waters of Prop. 2 1/2.

Now as partial compensation we have allowed her the luxury of serving on the Board of Selectmen where she can kiss babies, cut opening day ribbons and get to know all the dogs in town by their first names. Jane, thank you and our best wishes for the future.

VOTED unanimously by a voice vote.

ARTICLE 3. To see if the Town will vote to fix salaries and compensation of Elected Officers, and to see what sums the Town will vote to raise and appropriate, from available funds, or otherwise, for the payment of the salaries and compensation, expenses, equipment and outlays, capital and otherwise, of the several Town Departments, for the ensuing fiscal year.

ARTICLE 3

MOVED: That this Article be considered, covered and acted upon in one vote; that the sum of \$12,375,387.63 is appropriated, the sum of \$105,120.00 for salaries of elected Town Officials as follows: Town Clerk, \$29,730.00; Clerk, Board of Registrars, \$329.00; Highway Surveyor, \$32,930.00; Moderator, \$1.00; Treasurer/Collector, \$32,930.00; Selectmen, \$5,500.00; Assessors, \$3,700.00; for the ensuing fiscal year and that \$12,270,267.63 for Personal Services, Expenses and Capital Outlays, Interest, Maturing Debt and other charges for various departments for the ensuing year being recommended for all purposes, shown in

Appendix A, pages 4 through 9 inclusive, of the Warrant for the Annual Town Meeting to be held April 7, 1990, a copy of which Appendix is filed herewith, and to meet the appropriation, the following be transferred from Wadleigh Park Trust, \$450.00; Robert Charles Billings Trust, \$100.00; and Billings-Pratt Trust, \$90.00; Wheelwright, \$1,300.00; Income from Trust Funds-Cemeteries; Woodside, \$6,500.00; Beechwood, \$700.00; Perkins, \$300.00; Pension Trust \$70,000.00; and the balance as follows: from Water Revenue, \$805,251.98; from Surplus Revenue, \$98,551.00; and from taxation, the sum of \$11,392,144.65.

APPENDIX B
CAPITAL OUTLAY ALLOTMENTS
Other than Schools

NOTE: The term Capital Outlay covers an expenditure of \$200.00 or more for equipment or of \$500.00 or more for the reconstruction or establishment of a physical betterment the usual life of which is expected to exceed two years. Separate line appropriations are shown for these items since they represent special and specific allotments and are intended to be expended solely for the purposes indicated.

Amendment to Article 4. by Frank C.J. Hamilton.

MOVED: That the main motion under Article 4 be amended to provide for a 5% cost of living increase in salaries and that the sum of \$62,125.13 be appropriated to meet such increase in salaries and amendment to Personnel Classification Bylaws schedule and to meet such appropriation the sum of \$13,685.67 be transferred from Water Department revenue and the sum of \$48,439.46 be raised by taxation and/or appropriation from surplus revenue and the schedule is amended as annexed hereto.

Amendment to Article 4 as offered by Frank C.J. Hamilton. A voice vote was called for. Seven people questioned the Moderator and a hand count was taken.

VOTED: Yes 108; No 122. Amendment was defeated.

Amendment to Article 4 as offered by Raymond Kasperowicz.

VOTED: by a voice vote.

VOTED: Main motion as amended is adopted by a voice vote.

**Resolution by Rocco Laugelle
Member of the Board of Selectmen**

WHEREAS, Burtram J. Pratt served for three years on the Board of Selectmen, two years as their chairman;

WHEREAS, during the last forty years he has served the town in several other government and civic positions most notably as chairman of the Town's Bi-Centennial Commission;

WHEREAS, he has authored a definitive history of the Town and served on its Historical Commission for years;

WHEREAS, his dedication to his community, his unselfish efforts and commitment of time to his responsibilities as Selectman, and his abiding interest in the history of the community contributed greatly to his performance in the office of Selectman;

NOW THEREFORE BE IT RESOLVED that the citizens of Cohasset in Town Meeting assembled on the 23rd day of April, 1990, record their deep appreciation for the services rendered by Burtram J. Pratt, and further that it is the expressed wish of the citizens here assembled that he enjoy good health, happiness, and great success in all his future endeavors.

VOTED: unanimously by a voice vote.

ARTICLE 5. To hear and act upon the report and recommendations of the Selectmen with respect to the salaries of Elected Town Officials and to see if the Town will vote to accept the recommendations by recommending and adopting or amending and adopting the Schedule heretofore accepted and adopted and to raise and appropriate a sum of money necessary to pay for the increases in the salaries of the Treasurer/Collector, the Town Clerk, and Highway Surveyor for the ensuing fiscal year.

ARTICLE 5 MOVED: That the report and recommendation of the Board of Selectmen be and hereby is accepted and the following Salary Schedule for Elected Town Officials be, and hereby is, adjusted, accepted and substituted for the schedule heretofore adjusted and that the sum of Three Thousand Four Hundred Thirteen and no/100 (\$3,413.00) Dollars be, and hereby is appropriated from Surplus Revenue to pay for the increase of salaries of the Town Clerk, Treasurer/Collector and Highway Surveyor as set forth in the substitute schedule for the ensuing fiscal year, and this amount is to be credited to the Salary Appropriation Accounts effected in accordance with the following schedule.

		<hr/> \$4,368.00

Amendment to Article 5 as offered by Raymond Kasperowicz.

VOTED: Amendment adopted by a voice vote.

Main motion as amended.

VOTED: Main motion as amended is adopted unanimously by a voice vote.

ARTICLE 8. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of Two Thousand and no/100 (\$2,000.00) Dollars for the purpose of insect control during the ensuing fiscal year.

MOVED: That the Town appropriate from Surplus Revenue the sum of Two Thousand and no/100 (\$2,000.00) Dollars for the purpose of insect control during the ensuing fiscal year.

VOTED: unanimously by a voice vote.

ARTICLE 16. To see if the Town will vote to raise and appropriate, transfer from available funds or borrow the sum of Twenty Thousand and no/100 (\$20,000.00) Dollars to be used to paint the exterior of the old Town Hall and do related exterior repairs; the sum so raised and appropriated or transferred to be expended under the direction of the Board of Selectmen.

MOVED: That action under this Article be indefinitely postponed. Indefinite postponement voted unanimously by a voice vote.

It was moved by Glenn A. Pratt that Article 38 be advanced for consideration at this time.

Motion was **REJECTED** by a voice vote.

ARTICLE 17. To see if the Town will vote to raise and appropriate, transfer from available funds or borrow the sum of Twenty Thousand no/100 (\$20,000.00) Dollars for the purpose of constructing an expansion of the Beechwood Cemetery; the sum so raised and appropriated, transferred or borrowed to be expended under the direction of the Board of Selectmen.

MOVED: That the sum of Ten Thousand no/100 (\$10,000.00) Dollars be transferred from the sale of cemetery lots account for the purpose of constructing an expansion of the Beechwood Cemetery.

VOTED: unanimously by voice vote.

ARTICLE 18. To see if the Town will vote to raise and appropriate, transfer from available funds or borrow a sum of money to purchase the real property improved by the Eastern Edison Maintenance Garage and related structures located on North Main Street, which property is shown as Parcel 22 on Assessors' Map 14, a copy of a portion of which is on file with the office of the Town Clerk and endorsed, "Plan Article 18".

MOVED: That action under this Article be indefinitely postponed.

Indefinite postponement voted unanimously by voice vote.

ARTICLE 19. To see if the Town will vote to raise and appropriate, transfer from available funds or borrow the sum of Three Thousand and no/100 (\$3,000.00) Dollars for the purpose of reconstructing the intersection of King and Beechwood Streets; the sum so raised and appropriated, transferred or borrowed to be expended under the direction of the Board of Selectmen.

MOVED: That the sum of Three Thousand and no/100 (\$3,000.00) Dollars be appropriated from Surplus Revenue for the purpose of reconstructing the intersection of King and Beechwood Streets.

VOTED: unanimously be a voice vote.

ARTICLE 20. To see if the Town will vote to accept a Collective Bargaining Agreement made by and between the Town of Cohasset and the Cohasset Permanent Firefighters, Local 2804, and to see what sum of money the Town will raise and appropriate or transfer from available funds to effectuate the agreement.

MOVED: That action under this Article be indefinitely postponed.

Indefinite postponement voted unanimously by a voice vote.

ARTICLE 21. To see if the Town will vote to raise and appropriate, transfer from available funds or borrow a sum of money for the payment of unpaid bills itemized below and relating to prior fiscal years;

Vendor	Department	Amount
--------	------------	--------

MOVED: That action under this Article is indefinitely postponed.

Indefinite postponement voted unanimously be a voice vote.

ARTICLE 22. To see if the Town will vote to raise and appropriate, transfer from available funds or borrow a sum of money for the purpose of making certain renovations and improvements to the Cohasset Police/Fire Station, for purchasing furnishings and equipment for the Police/Fire Station, and for the payment of costs in connection with engineering design plans and specifications; the sums so raised and appropriated, transferred or borrowed to be expended under the direction of the Board of Selectmen; to see if the Town will vote to authorize the Town Treasurer, with the approval of the Board of Selectmen, to borrow such money or a portion thereof and to issue notes therefor.

MOVED: That the sum of Three Hundred Ninety-Six Thousand and no/100 (\$396,000.00) Dollars be appropriated for the purpose of making certain renovations and improvements to the Cohasset Police/Fire Station, for purchasing furnishings and equipment for the Police/Fire Station, and for the payment of costs in connection with engineering design plans and specifications; and to meet the appropriation, the Treasurer, with the approval of the Board of Selectmen, be authorized to borrow the sum of Three Hundred Ninety-One Thousand and no/100 (\$391,000.00) Dollars pursuant to Massachusetts General Laws, Chapter 44, Section 7, Subsection (3A), and the sum of Five Thousand and no/100 (\$5,000.00) Dollars, pursuant to Massachusetts General Laws, Chapter 44, Section 7, Subsection (9).

Amendment to Article 22 offered by William Lean, member of the Advisory Committee.

MOVED: That the main motion under Article 22 be amended to provide as follows: That the Treasurer with the approval of the Board of Selectmen be authorized to borrow the sum of One Hundred Thousand and no/100 (\$100,000.00) Dollars for the purpose of making renovations and improvements to the Cohasset Police/Fire Station. Such renovations to include: new roof, new sills (as required), new gutters and new female lavatory facilities.

Amendment to Article 22. Hand count taken Yes 67; No 83. Amendment does not prevail.

Main motion under Article 22-a 2/3 vote is required. Hand count taken Yes 102; No 47. Motion is adopted.

MOVED: That this Annual Town Meeting be adjourned to Wednesday, April 25, 1990 at 7:30 p.m. at Cohasset High School Auditorium.

VOTED: unanimously by a voice vote at 11:00 p.m.

WEDNESDAY-APRIL 25, 1990

Wednesday night-Checkers previously appointed and sworn in by the Town Clerk reported to work at 7:00 p.m. and tellers appointed by the Moderator reported at 7:30 p.m. The Moderator called the meeting to order at 8:02 p.m. A total of 147 checked in on Wednesday.

**Resolution by William Baird
Chairman of the Board of Health**

WHEREAS Chairwoman Priscilla Tebbetts has faithfully served and completed her duties as an appointed official of the Disposal Area Study Committee;

WHEREAS The job could not have been achieved without years of research, determination and dedication of the Committee under Mrs. Tebbetts' direction; and

WHEREAS John Anson Whealler has rendered unswerving dedication to the Town of Cohasset as a member of the Disposal Area Study Committee and Chairman of the Transfer Station Building Committee;

WHEREAS The completed construction of the Recycling Transfer Facility in a professional and timely fashion could not have been accomplished as successfully without his commitment and persistent resolve for coordination and cooperation between the engineer and contractor;

WHEREAS Countless hours both day and night of Mr. Whealler's time in negotiating, and overseeing the RTF design and construction have provided Cohasset with a structure which will serve our community for many years.

BE IT RESOLVED That all elected and appointed officials and residents of Cohasset do hereby extend their sincere gratitude, appreciation and recognition for the expertise, conscientious and unselfish contribution of "Anson" and "Priscilla" who have provided the Town of Cohasset with a Recycling Transfer Facility of which we all can be proud.

VOTED unanimously by a voice vote.

**Resolution of David Chittam.
Resolution Relative To the
Proposed South Shore Regional
School Construction Project**

WHEREAS, the South Shore Regional School District Committee has voted to authorize a \$5,000.00 debt for the purpose of constructing, reconstructing, adding to, equipping, remodeling and making extraordinary repairs to the Regional School in Hanover; and

WHEREAS, the Board of Selectmen must call a Special Town Meeting to be held prior to May 23, 1990, for the purpose of voting approval or disapproval of this District Committee action; and

WHEREAS, the Selectmen, through their duly appointed District Representative, are of the opinion that this building expansion and repair project is in the best interests of vocational education for Cohasset residents; and

WHEREAS, the cost to the Town of Cohasset would be \$1,375 per year for ten years, or \$.035 on the average tax bill; and

WHEREAS, the cost of calling a Special Town Meeting specifically for this purpose would be about \$1,500.

NOW, THEREFORE, it is recommended to this Town Meeting that the Selectmen be directed not to call a Special Town Meeting which would be the same as the casting of one vote of the seven favorable votes needed to give final approval to this project.

VOTED unanimously by a voice vote.

ARTICLE 23. To see if the Town will vote to raise and appropriate, or transfer from available funds a sum of money to be added to the Stabilization Fund.

MOVED: That action under this Article be indefinitely postponed.

Indefinite postponement voted unanimously by a voice vote.

ARTICLE 25. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of Two Thousand and no/100 (\$2,000.00) Dollars to be added to the Police Off-Duty Detail Account and the sum of One Thousand and no/100 (\$1,000.00) Dollars to be added to the Fire Off-Duty Detail Account.

MOVED: That the sum of Three Thousand and no/100 (\$3,000.00) Dollars be appropriated from Surplus Revenue; the sum of Two Thousand and no/100 (\$2,000.00) Dollars to be added to the Police Off-Duty Detail Account and the sum of One Thousand and no/100 (\$1,000.00) Dollars to be added to the Fire Off-Duty Detail Account.

VOTED: unanimously by a voice vote.

ARTICLE 27. To see if the Town will vote to raise and appropriate, transfer from available funds or borrow the sum of Ten Thousand and no/100 (\$10,000.00) Dollars for the construction of sidewalks adjacent to a portion of Forest Avenue.

MOVED: That action under this Article be indefinitely postponed.

Indefinite postponement voted unanimously by a voice vote.

ARTICLE 28. To see if the Town will vote to amend Section 12, Administration and Enforcement, of the Zoning Bylaw by deleting from Subsection 5.4. thereof, the words and numbers, "seventy-five (75) days" and substituting in their place the words and numbers, "one hundred (100) days" so that Subsection 5.4 of Section 12 will read as follows:

"12.5.4 The Board of Appeals shall not take final action on such application until it has received a report thereon from the Board of Health, the Planning Board, and the Conservation Commission or until such Boards have allowed thirty-five (35) days to elapse after receipt of such application without submission of a report. Failure of the Board to take final action within one hundred (100) days of filing of such application shall be deemed to be a granting of the variance and the Town Clerk shall so certify forthwith".

MOVED: That Section 12, Administration and Enforcement, of the Zoning Bylaw be amended by deleting from Subsection 5.4. thereof, the words and numbers, "seventy-five (75) days" and substituting in their place the words and numbers, "one hundred (100) days" so that Subsection 5.4 of Section 12 will read as follows:

"12.5.4 The Board of Appeals shall not take final action on such application until it has received a report thereon from the Board of Health, the Planning Board, and the Conservation Commission or until such Boards have allowed thirty-five (35) days to elapse after receipt of such application without submission of a report. Failure of the Board to take final action within one hundred (100) days of filing of such application shall be deemed to be a granting of the variance and the Town Clerk shall so certify forthwith".

A 2/3 vote is required.

VOTED unanimously by a voice vote.

ARTICLE 29. To see if the Town will vote to amend Section 12 Administration and Enforcement, of the Zoning Bylaw by deleting from Subsection 6.3 of Section 12 and substituting in its place the following:

“12.6.3 A person applying for a site plan review shall file an application with the Planning Board, including copies of a site plan and a filing fee, as required by the Planning Board. The application and site plan shall include the elements on which the Planning Board is to make a finding and determination, as provided in this section and shall also include information as to the nature and extent of the proposed use of buildings, and such further information as the Planning Board shall reasonably require by rule or regulation. Not less than two (2) permanent survey monuments shall be located on the property in question and shown on the plan, unless waived by the Planning Board. In subsequent applications concerning the same subject matter, the Planning Board may waive the filing of plans and documents to the extent they duplicate those previously filed. Copies of the Rules and Regulations concerning the Site Plan Review shall be filed with the Town Clerk.

MOVED: That Section 12 Administration and Enforcement, of the Zoning Bylaw be amended by deleting Subsection 6.3 of Section 12 and substituting in its place the following:

“12.6.3 A person applying for a site plan review shall file an application with the Planning Board, including copies of a site plan and a filing fee, as required by the Planning Board. The application and site plan shall include the elements on which the Planning Board is to make a finding and determination, as provided in this section and shall also include information as to the nature and extent of the proposed use of buildings, and such further information as the Planning Board shall reasonably require by rules or regulations. Not less than two (2) permanent survey monuments shall be located on the property in question and shown on the plan, unless waived by the Planning Board. In subsequent applications concerning the same subject matter, the Planning Board may waive the filing of plans and documents to the extent they duplicate those previously filed. Copies of the Rules and Regulations concerning the Site Plan Review shall be filed with the Town Clerk.

A 2/3 vote is required.

VOTED unanimously by a voice vote.

ARTICLE 30. To see if the Town will vote to amend Section 4, Use Regulations, of the Zoning Bylaw by adding subsection 4.3 which shall provide as follows:

“4.3.4.3 In addition to the requirement for a Special Permit, any trailer, or any non-operative or unregistered motor vehicle, regardless of its use, remaining in any District for more than thirty (30) days shall be subject to all provisions of this Bylaw, and all rules and regulations pertaining to buildings and structures in that District.

MOVED: That Section 4, Use Regulations, of the Zoning Bylaw be amended by adding subsection 4.3 which shall provide as follows:

“4.3.4.3 In addition to the requirement for a Special Permit, any trailer, or any non-operative or unregistered motor vehicle, regardless of its use, remaining in any District for more than thirty (30) days shall be subject to all provisions of this Bylaw, and all rules and regulations pertaining to buildings or structures in that District.”

A 2/3 vote is required. Hand count taken Yes 52; No 48. Motion is **DEFEATED**.

ARTICLE 31. To see if the Town will vote to amend Section 12, ADMINISTRATION AND ENFORCEMENT, of the Zoning Bylaw by striking therefrom Subsection 12.6.1 and substituting in its place the following Subsection 12.6.1:

“12.6.1 No permit to build, construct, reconstruct, or expand any buildings or structures:

(A) in any District where the building or structure is non-conforming by virtue of its use; or

(B) in any Business or Light Industry District where such construction, reconstruction, or expansion shall exceed a total gross floor area of Two Hundred (200) square feet,

shall be issued by the Building Inspector until he shall have received from the Planning Board a written statement of final approval of the Planning Board in accordance with the provisions of this Section or until seventy-five (75) days have elapsed after an application for such plan approval has been filed with the Planning Board. This Section shall not include signs attached to a building, or normal maintenance”.

MOVED: That Section 12, ADMINISTRATION AND ENFORCEMENT, of the Zoning Bylaw be amended by striking therefrom Subsection 12.6.1 and substituting in its place the following Subsection 12.6.1:

“12.6.1 No permit to build, construct, reconstruct, or expand any buildings or structures:

(A) in any District where the building or structure is non-conforming by virtue of its use; or

(B) in any Business or Light Industry District where such construction, reconstruction, or expansion shall exceed a total gross floor area of Two Hundred (200) square feet,

shall be issued by the Building Inspector until he shall have received from the Planning Board a written statement of final approval of the Planning Board in accordance with the provisions of this Section or until seventy-five (75) days have elapsed after an application for such plan approval has been filed with the Planning Board. This Section shall not include signs attached to a building, or normal maintenance”.

AMENDED ARTICLE 31 by Alfred S. Moore, Jr.

Chairman of the Planning Board.

MOVED: That the main motion under Article 31 be amended by adding to the end of subparagraph (A) thereof, the following words: “except where the construction, reconstruction, or expansion would neither increase nor change the non-conforming use or where the non-conforming use would thereby be eliminated”, so that section 12.6.1 would read as follows:

“12.6.1 No permit to build, construct, reconstruct, or expand any buildings or structures:

(A) in any District where the building or structure is non-conforming by virtue of its use except where the construction, reconstruction, or expansion would neither increase nor change the non-conforming use or where the non-conforming use would thereby be eliminated; or

(B) in any Business or Light Industry District where such construction, reconstruction, or expansion shall exceed a total gross floor area of Two Hundred (200) square feet,

shall be issued by the Building Inspector until he shall have received from the Planning Board a written statement of final approval of the Planning Board in accordance with the provisions of this Section or until seventy-five (75) days have elapsed after an application for such plan approval has been filed with the Planning Board. This Section shall not include signs attached to a building, or normal maintenance."

Amendment offered by Alfred S. Moore, Jr. is adopted by a voice vote.

A 2/3 vote is required. Main motion as amended is adopted unanimously.

ARTICLE 32. To see if the Town will vote to amend Section 4, Use Regulations, of the Zoning By-law by striking the first paragraph of that portion of the Table of Use Regulations under Subsection 4.2 entitled All Uses in its entirety and substituting the following paragraph:

"4.2 All Uses	Residential			Non-Residential				Official and Open Space District
	R-A	R-B	R-C	DB	WB	HB	LI	
Temporary structures, including trailers, for storage of materials or equipment								
	SP	SP	SP	SP	SP	SP	SP	SP";

MOVED: That Section 4, Use Regulations, of the Zoning Bylaw be amended by striking the first paragraph of that portion of the Table of Use Regulations under Subsection 4.2 entitled All Uses in its entirety and substituting the following paragraph:

"4.2 All Uses	Residential			Non-Residential				Official and Open Space District
	R-A	R-B	R-C	DB	WB	HB	LI	
Temporary structures, including trailers, for storage of mater- equipment								
	SP	SP	SP	SP	SP	SP	SP	SP";

Amended Article 32 by Alfred S. Moore, Jr. Chairman of the Planning Board.

MOVED: That the main motion under Article 32 be amended by adding the words, "remaining for over thirty (30) days" following the word "trailers" and before the word "for", so that the narrative portion of Section 4.2 reads as follows:

"All Uses

Temporary structures,
including trailers,

remaining for over 30 days,
for storage of materials or
equipment;"

Amendment offered by David Hassan of 497 Beechwood Street.

Amendment to Article 32 as offered by David Hassan.								
Amendment is rejected.								
A 2/3 vote is required.								
Main motion as amended is rejected by a voice vote.								
MOVED by Ronald Goodwin to advance Article 34 for immediate consideration.								
Motion adopted by a voice vote.								

ARTICLE 34. To see if the Town will vote to take by eminent domain thirty-seven (37) acres of land abutting Lily Pond and more particularly described in Deeds from Aaron Rosenberg to Edward L. Britt, one recorded on October 11, 1984, in Norfolk County Registry of Deeds in Book 6516, Page 495, and the other recorded on June 22, 1989, in Norfolk County Registry of Deeds in Book 8351, Page 228, the land more particularly shown on the subdivision plans entitled "Lily Pond Estates" consisting of 12 pages and recorded with Norfolk County Registry of Deeds as Plan 584 of 1989, in Plan Book 382, and further

To see if the Town will vote to raise and appropriate, transfer from available funds or borrow the sum of One Million Nine Hundred One Thousand (\$1,901,000.00) Dollars to effectuate such taking.

MOVED: That the Town take by eminent domain thirty-two (32) acres of land abutting Lily Pond and more particularly described in Deeds from Aaron Rosenberg to Edward L. Britt, one recorded on October 11, 1984, in Norfolk County Registry of Deeds in Book 6516, Page 495, and the other recorded on June 22, 1989, in Norfolk County Registry of Deeds in Book 8351, Page, 228, the land more particularly shown on the subdivision plans entitled "Lily Pond Estates" consisting of 12 pages and recorded with Norfolk County Registry of Deeds as Plan 584 of 1989, in Plan Book 382; and further that the Treasurer with

the approval of the Board of Selectmen be authorized to borrow pursuant to Massachusetts General Laws, Chapter 44, section 7 the sum of One Million Nine Hundred One Thousand (\$1,901,000.00) Dollars to effectuate such taking, the principal and interest of which loan shall be paid from water revenue.

A 2/3 vote is required.

Hand count was taken — Yes 97; No 25.

Motion is adopted.

ARTICLE 33.

To see if the Town will vote to amend its Schedule of Water Rates by approving and adopting the rate schedule.

MOVED: That the main motion be amended to provide for an increase in water rates so that the schedule will read as follows:

Rate #1 (Metered, Residential)

\$18.00 per quarter plus \$2.30 per hundred cubic feet used.

Rate #2 (Metered, Non Residential)

MOVED: by Michael Sullivan, member of the Board of Health, to defer action on Article 46 until all other articles have been acted upon.

VOTED unanimously by a voice vote.

ARTICLE 47. To see if the Town will vote to raise and appropriate, transfer from available funds or borrow the sum of Three Thousand, Six Hundred Thirty and no/100 (\$3,630.00) Dollars to pay civil administrative penalties to the Massachusetts Department of Environmental Protection in accordance with the terms of a proposed Consent Order by and between the Massachusetts Department of Environmental Protection and the Town of Cohasset.

MOVED: That the sum of Three Thousand, Six Hundred Thirty and no/100 (\$3,630.00) Dollars be appropriated from Surplus Revenue to pay civil administrative penalties to the Massachusetts Department of Environmental Protection in accordance with the terms of a proposed Consent Order by and between the Massachusetts Department of Environmental Protection and the Town of Cohasset.

VOTED unanimously by a voice vote.

ARTICLE 48. To see if the Town will vote to raise and appropriate, transfer from available funds, or borrow the sum of Seventy Thousand and no/100 (\$70,000.00) Dollars for the purpose of purchasing and equipping a new class I ambulance and authorize the trade-in of the ambulance currently used by the Fire Department; the funds so raised and appropriated, transferred, or borrowed to be expended under the direction of the Fire Chief.

MOVED: That action under this Article be indefinitely postponed.

Indefinite postponement voted unanimously by a voice vote.

ARTICLE 49. To see if the Town will vote to raise and appropriate, transfer from available funds or borrow the sum of Eleven Thousand and no/100 (\$11,000.00) Dollars for the purpose of refurbishing and equipping a unit of the Fire Department known as Forestry 1, a 1982 Ford/Farrar four-wheel drive brush pumper; the funds so raised and appropriated, transferred, or borrowed to be expended under the direction of the Fire Chief.

MOVED: That action under this Article be indefinitely postponed.

Indefinite postponement voted unanimously by a voice vote.

ARTICLE 50. To see if the Town will vote to accept Chapter 653 of the Acts of 1989, relative to establishing July 1 as the date of assessment for new construction.

MOVED: That the provisions of Section 40 of Chapter 653 of the Acts of 1989 of the Massachusetts Legislature Regular Session be accepted permitting the taxation in the ensuing fiscal year of improvements to real property during the period January 2 to June 30 as if such improvements had existed on the preceding January 1.

VOTED unanimously by a voice vote.

ARTICLE 51. To see if the Town will vote to accept Chapter 494, of the Acts of 1989, which authorize the Assessors to grant partial exemptions to homeowners that provide housing to the elderly.

MOVED: That action under this Article be indefinitely postponed.

Indefinite postponement voted unanimously by a voice vote.

ARTICLE 52. To see if the Town will vote to accept Massachusetts General Laws, Chapter 59, Section 5, Clause 17c-1/2 authorizing a minimum real estate tax exemption in the amount of One Hundred Seventy-Five and no/100 (\$175.00) Dollars to an eligible surviving spouse, a minor whose parent is deceased or a person over the age of seventy (70) provided that after excluding up to One Hundred Fifty Thousand and no/100 (\$150,000.00) Dollars in assessed valuation and any unpaid mortgage, the total personal and real estate of the person seeking the exemption does not exceed Forty Thousand and no/100 (\$40,000.00) Dollars.

MOVED: That the provisions of Massachusetts General Laws, Chapter 59, Section 5, Clause 17c-1/2 be accepted which authorizes a minimum real estate tax exemption in the amount of One Hundred Seventy Five and no/100 (\$175.00) Dollars to an eligible surviving spouse, a minor whose parent is deceased or a person over the age of seventy (70) provided that after excluding up to One Hundred Fifty Thousand and no/100 (\$150,000.00) Dollars in assessed valuation and any unpaid mortgage, the total personal and real estate of the person seeking the exemption does not exceed Forty Thousand and no/100 (\$40,000) Dollars.

VOTED unanimously by a voice vote.

ARTICLE 53. To see if the Town will vote to accept the provisions of Massachusetts General Laws, Chapter 40, Section 85 authorizing the establishment of a Handicapped Commission for the purpose of coordinating or carrying out programs for the handicapped in coordination with the office of Handicapped Affairs; and further to see if the Town will amend Article IV of the General By-Laws, **APPOINTED TOWN OFFICERS**, by adding thereto a new Section 17 which shall provide as follows:

MOVED: That the provisions of Massachusetts General Laws, Chapter 40, Section 85 be accepted authorizing the establishment of a Handicapped Commission for the purpose of coordinating or carrying out programs for the handicapped in coordination with the Office

of Handicapped Affairs; and further that Article IV of the General By-Laws, **APPOINTED TOWN OFFICERS**, be amended by adding thereto a new Section 17 which shall provide as follows:

“Section 17 Handicapped Commission

- (a) The Handicapped Commission shall consist of five (5) members, each appointed for a three (3) year term, with two members appointed in each of two (2) successive years and one (1) member appointed the following year; provided, however, with respect to the initial appointment the terms of two (2) initial appointees shall expire on (1) year from the date of their appointment; the term of two (2) other initial appointees shall expire two (2) years from the date of their appointment and the term of the fifth appointee shall expire three (3) years from the date of his appointment.
- b) Appointments shall be made by the Board of Selectmen.
- (c) The Handicapped Commission shall coordinate and carry out programs designed to meet the problems of the handicapped in coordination with programs of the Office if Handicapped Affairs.
- (d) The Handicapped Commission shall research local problems of the handicapped and shall coordinate the activity of other local groups organized for similar purposes and may advertise, prepare, print and distribute books, maps, charts, plans and pamphlets necessary for its work.
- (e) The Commission shall keep records of its meetings and activities and shall file an annual report to be printed in the Town’s Annual Report.
- (f) A majority of the members of the Commission shall consist of handicapped persons and one such member may be a member of the immediate family of a handicapped person and one member of the Commission shall be either an elected or appointed official of the Town.
- (g) The Commission may receive gifts of property, both real and personal, in the name of the Town subject to the approval of the Board of Selectmen, such gifts to be managed and controlled by the Commission for the purposes of this section.”

Amendment to Article 53. offered by David Chittim, South Shore Regional School District Representative.

MOVED: That the main motion under Article 53 be amended by deleting paragraph

(a) Section 17 and substituting the following:

- (a) The Handicapped Commission shall consist of seven (7) members each to serve for a three (3) year term; provided however, with respect to the initial appointee three (3) members shall be appointed to a one (1) year term, two (2) members shall be appointed to a two (2) year term and two (2) members be appointed for a three (3) year term.

Amendment offered by David Chittim was voted unanimously by a voice vote.

The main motion as amended was voted unanimously by a voice vote.

To see if the Town will vote to amend Section 12 of Article VII, **SAFETY AND PUBLIC ORDER**, of the General By-Laws by deleting sub-paragraph (f) and inserting the following:

“(f) Any owner or keeper of a dog who shall permit such dog to be in any street or public place without either being effectively restrained by chain or leash under the direct and positive control of such owner, keeper, or other person or attended by a person exercising control, or who shall permit such dog to run upon property of another without express permission of the owner or occupant of such property, may be punished by a fine of twenty-five (\$25.00) Dollars”,

or act on anything relating thereto.

MOVED: That Section 12 of Article VII, **SAFETY AND PUBLIC ORDER**, of the General By-Laws be amended by deleting sub-paragraph (f) and inserting the following:

“(f) No person shall keep a dog which, by biting, barking or any other activity disturbs the peace and quiet of any neighborhood or endangers the safety of any person. Any owner or keeper of a dog who shall permit such dog to be in any street or public place without either being effectively restrained by chain or leash under the direct and positive control of such owner, keeper, or other person or attended by a person exercising control, or who shall permit such dog to run upon property of another without express permission of the owner or occupant of such property may be punished by a fine as provided in this By-Law.

VOTED: Adopted by a voice vote.

ARTICLE 55

To see if the Town will vote to amend ARTICLE III of the General By-Laws , **ELECTED OFFICERS**, by deleting Subsection (f) of Section 2 and substituting the following Subsection (f) of Section 2.

ARTICLE 55

MOVED: That ARTICLE III of the General By-Laws, **ELECTED OFFICERS**, be amended by deleting Subsection (f) of Section 2 and substituting the following Subsection (f) of Section 2:

“(f) The Selection may appear, either personally or by Town Counsel or by Special Counsel duly employed by them, before any Court, committee of the Legislature, Commission, or other tribunal, to protect the interests of the Town, but they are not authorized hereby to commit the Town to any course of action. They shall have authority as agents to institute, prosecute, and defend suits and claims against or involving the interests of the Town, and may pay settlements not exceeding Ten Thousand Dollars (\$10,000.00) from any appropriation or funds which may be legally available for the purpose, when, in their judgment and upon advice of counsel, such settlement is in the best interests of the Town.”

VOTED: Adopted by a voice vote.

ARTICLE 46. To see if the Town will vote to raise and appropriate, transfer from available funds or borrow the sum of Four Hundred Eighty Thousand and no/100 (\$480,000.00) Dollars for the closure and capping of the Cedar Street Landfill as mandated by the Massachusetts Department of Environmental Protection.

MOVED: That the Treasurer, with the approval of the Board of Selectmen, be authorized to borrow the sum of Four Hundred Eighty Thousand and no/100 (\$480,000.00) Dollars for the closure and capping of the Cedar Street Landfill as mandated by the Massachusetts Department of Environmental Protection.

A 2/3 vote is required.

VOTED unanimously by a voice vote.

A motion was made by Rocco Laugelle, Vice-chairman of the Board of Selectmen, that the Annual Town Meeting be dissolved.

VOTED unanimously by a voice vote at 9:57 p.m.

TOWN CLERK'S REPORT — SPECIAL TOWN MEETING OCTOBER 22, 1990

At the Special Town Meeting held at the Cohasset High School Auditorium at 7:30 p.m. The following articles were contained in the warrant and acted upon as recorded.

Checkers previously appointed for entrance by the Selectmen were sworn in by the Town Clerk, Frances L. Marks, at 7:00 p.m. were Kathleen M. Rhodes, Constance S. Jones, Marion L. Douglas and Jacquelyn R. McGuire.

Tellers appointed by Moderator, William D. Weeks at 7:30 p.m. were Grace R. Tuckerman, Louise Flint, Raymond Buckley, and Maria R. Pape.

The Moderator called the meeting to order at 7:45 p.m. and a quorum of one hundred (100) was present at that time. The Town Clerk proceeded to read the call of the meeting. Total registered voters checked in on the voting lists totaled 165 voters.

Resolution by Martha Gjestebj, Vice Chairman Board of Selectmen

WHEREAS, Mr. Robert S. Pape, known to all as Bobby has served his Town on the Advisory Board as a Registrar of Voters, and as a Town Meeting Teller over a span of 22 years and

WHEREAS, Bobby Pape has been serving the Town and its citizens for a lifetime as friend, neighbor, helper, businessman and just plain good citizen

NOW therefore BE IT RESOLVED THAT:

The Town in this Town Meeting assembled express its gratitude to Bobby Pape for his interest in the welfare of the Town, We commend him for his many, but little publicized, charities and for the competent work to which his many customers can attest. To the man who is never happier than when he is in his truck or in his tractor. To the man of the big bark and the big heart, Cohasset says — **“THANK YOU!”**

VOTED unanimously by a voice vote.

ARTICLE 1. To see if the Town will transfer from available funds the sum of Sixty-Four Thousand and no/100 (\$64,000) Dollars in order to reduce the 1991 Fiscal Year tax levy.

MOVED: That the Budget adopted under Article 3 of the warrant for the 1990 Annual Town Meeting be amended to increase the amount to be transferred from surplus revenue

from Ninety-Eight Thousand Five Hundred Fifty-One and no/100 (\$98,551.00) Dollars to One Hundred Sixty-Two Thousand Five Hundred Fifty-One and no/100 (\$162,551.00) Dollars to be used for the purpose of reducing the 1991 Fiscal Year tax levy.

MOTION IS ADOPTED.

Report of the Board of Registrars

In February George Marlette was reappointed by the Selectmen for another term. Mr. Marlette was also nominated Chairman of the Board by the registrars. Due to his illness, on July 26, 1990 we received, with regret, the resignation of Robert S. Pape as a registrar. His continued willingness to serve in this capacity has been greatly appreciated over the years. He will be missed by everyone.

The Republican Town Committee and Board of Selectmen appointed Jane MacLure to serve the balance of Mr. Pape's term which expires on February 1991.

TOWN MEETINGS AND ELECTIONS

Annual & Special Town Meeting	April 7, 1990
Town Election	April 14, 1990
Continuation of Town Meeting	April 23, 1990
Continuation of Town Meeting	April 25, 1990
Continuation of Town Meeting	April 26, 1990
State Primary	Sept. 18, 1990
Recount	Sept. 29, 1990
Special Town Meeting	October 22, 1990
State Election	Nov. 6, 1990

The Annual Listing of Persons Seventeen Years of Age and Older as per General Law Chapter 51, Section 4 was conducted by mail. Any resident not contacted during the months of January and February should inform the Town Clerk's Office.

Continuous Registration of Voters, Chapter 51, Section 33 General Laws - Any person shall be registered during regular business hours and special hours designated, except during such time that registration is not permitted by law.

To register to vote, a person must be eighteen years of age or older and born in the United States or be a naturalized citizen. There is no residency requirement.

REGISTERED VOTERS IN THE TOWN

Democrats	1022	TOTAL REGISTERED VOTERS IS 5041
Republican	1106	
Unenrolled	2913	

Respectfully submitted,
George L. Marlette, III CHM
Frances L. Marks, Clerk
Alice G. Daunt
Janet W. MacLure

Election Officers For the Year 1990

The following persons were appointed Election Workers for the year 1990 by the Board of Selectmen. Their names were taken from the Cohasset Democratic and Republican Town Committee's List.

Domenic M. Baccarri	R	Mary A Fiori	D
Carol G. Beggan	R	Dorothea Bjorkgren	D
Maria R. Pape	R	Charlotte Leland	D
Margaret M. Stoughton	R	Patricia A. Walsh	D
Grace R. Tucherman	R	Kirk S. Giffen	D
Ruth F. Pratt	R	Marjorie B. Giffen	D
Dorothea Parmenter	R	Fred Koed	D
Katherine M. Lincoln	R	Lisa Koed	D
Betty Lou Pearce	R	Ronald Goodwin	D
Janet W. MacLure	R	Mary M. Goodwin	D
Willa D. Berents	R	Donna P. French	D
Rosette N. Greco	R	Jeanne M. McAuliffe	D
Judith P. Volungis	R	Andrea L. Davis	D
John H. Mullett	R	Marek L. Davis	D
Margaret C. Chapin	R	Elizabeth T. Laas	D

1990 Prospective Juror List

Pursuant to Massachusetts General Laws, Chapter 234A, Section 15, the Prospective Jury List is available in the Town Clerk's Office with names of those residents who may be summoned for Juror Service.

This information is available for public inspection during normal office hours.

Respectfully submitted,

Frances L. Marks

Town Clerk of Cohasset

Town Archivist

1990 marks the first full year of operation of the Town's new controlled environment Public Records vaults at Town Hall. During the year, additional permanent Public Records were placed in the vaults. There has been a continuing project to protect permanent records and to legally dispose of certain unneeded short-term temporary records in accordance with procedures established by the Public Records Department of the Massachusetts State Archives, and with participation of appropriate Town Offices. Additionally, as part of the archive project, specific areas of the old Town Hall building needing to have material organized and reduced in bulk have been cleared up with the cooperation of the appropriate offices. Steps have been taken to gather and organize town maps and plans, many of which have archival and historical significance. An inventory of all historical and modern Town

permanent record books in the vaults is planned for the near future. The Archivist would like to note that Massachusetts laws require that all permanent Public Records be protected in fireproof and controlled environment vaults. May I urge that all municipal offices and committees arrange to have their permanent records placed within the new vaults as statutes require. The Archivist would like to thank the Offices of Selectmen, Town Clerk, Treasurer-Collector, Assessors, Recreation Department, and the Historical Commission for participation and assistance in the continuing project to store and organize the Town's Public Records in conformance with the laws and regulations of the Commonwealth.

Respectfully submitted,

David H. Wadsworth, Town Archivist.

Bylaw Committee

The Committee's responsibility is to review new Articles and/or provisions pertaining to the Town Bylaws. The purpose of the review is to maintain the existing form, to ensure clarity, and to prevent contradictions or errors in substance.

As often as requested, the Bylaw Committee has met and conferred with those preparing material for presentation.

In order to fulfill the objectives for which the Bylaw Committee was created with efficiency and a minimum of expense and duplication of effort, it is essential that all proposed changes in Town Bylaw provisions be presented to the Bylaw Committee, in addition to Town Counsel, within the time prescribed for review prior to inclusion in the Warrant.

Respectfully submitted,

Cornelia L. O'Malley, Chairman

Mary E. Gainor, Secretary

W. Roger Nast

Frances L. Marks, Town Clerk (ex officio)

Richard A. Henderson, Town Counsel (ex officio)

Cable Television Council

The Cable Television Council is appointed by the Selectmen and meets periodically to assure that Continental Cablevision complies with the requirements of its contract with the Town. We also encourage community members to make full use of "public access" to cable television in Cohasset. Please let us know if you have any complaints or suggestions regarding cable TV in Cohasset by leaving a message at Town Hall. Also, we encourage your attendance at our meetings.

In July, responding to our request, the Board of Selectmen reduced the Council from its original size of nine to its present size of five members. We hope this will make it easier to get consistent quorums for meetings and conduct our business more efficiently.

Rate increases continue, and with them our concern that re-regulation of the cable industry may be the best course for consumer protection. We are studying the Federal Cable Act, and may recommend to the Selectmen that they could join the national campaign to restore local municipal controls over cable rates.

Cohasset's Continental Cablevision Community Program Director, Deb Duggan, has had a successful first year. The merger of the Cohasset studio into a larger shared facility in North Scituate, accomplished two years ago, continues to be beneficial for community programming in both towns.

Besides the continuation of Wigmore Pierson's popular "Cohasset Talks", this year's regular Channel 3 Cohasset programs have included the Selectmen's meetings (live on Mondays and recablecast on Tuesdays), an aerobics class — "California Fitness Connection", and the School's "Videotime". Two new Cohasset productions, "McNamara on Money" and "The Business Show", as well as the award winning "Newsbeat 53", can also be seen on regional Channel 53. Town Meetings were cablecast (most live), as were many other meetings and events of public interest, notably extensive local election coverage. The ongoing Channel 3 bulletin board serves many of the Town's organizations. Cohasset community television is becoming an integral and important part of our Town life.

Respectfully submitted,

John R.H. Packard, Chairman

Shelanne S. Durkin

Tamsin E. Elliot

Marek L. Laas

Charles M. Kane (resigned)

John D. Walp

Harbormaster

During 1990 we continued to improve the maintenance of the harbor, and rebuilt three (3) floats at Government Island and two (2) floats at the fisherman's docks by the Salt House. Due to an accident at the ramp located on Government Island which caused the ramp to be unuseable, we acquired an aluminum ramp from the Town of Scituate, rebuilt it, and replaced the damaged ramp. We also rebuilt the damaged ramp from Government Island and replaced the ramp on the fishermen's floats by the Salt House which had deteriorated beyond repair.

Due to the Coast Guard's policy of not providing immediate assistance in non-distress situations where there is alternative assistance available, such as Harbormasters or commercial towing, the Harbor Department assisted forty-five (45) disabled boaters. There were eight (8) dingies reported missing, of which six (6) were recovered, and three (3) incidents of vandalism reported.

With the help of Harold Litchfield, Tony Sestito and the Public Works Department, we removed a Minke whale which had washed ashore during a storm at Richardson's Beach and it was towed to sea by Coast Guard Station Scituate.

We are currently working with the engineers from Nucci Vine Associates, Newburyport, Mass., for maintenance dredging and rock removal of Cohasset Harbor to improve navigation safety and provide additional mooring area.

We would like to express thanks and appreciation to Cliff Dickson and Dave Marks for their assistance this summer and to those fishermen who assisted in rebuilding the floats at Government Island. Also, thanks to Robert Baggs, whose expertise in construction made this

possible without taking any floats out of service at a savings of approximately \$20,000 to the Town.

Respectfully submitted,
Irving Gadow
Harbormaster

Insurance Committee

Fiscal Year 1990 presented some difficult challenges for the Insurance Committee in the area of health benefits for Town employees. This will continue to be a challenging situation until all employee groups (Fire, Police, School, custodial, and other) reach a mutual consensus on a benefit plan design. At that point the Insurance Committee will be able to assist in identifying and obtaining a cost effective and sound plan. Until that time we will have to accept the available options, which are dramatically being reduced.

In April, Blue Cross/Blue Shield announced that it would no longer be interested in the Town due to the lack of participants in their program. By June they had issued a formal notice of cancellation, to be effective September 1, 1990. At the same time, the rates being charged increased dramatically. The end result was the termination of Blue Cross/Blue Shield as an alternative, due to a lack of participants.

With the current enrollment distribution of employees, there are no indemnity plans available for Town employees. All active employees are utilizing either Bay State Health or Medical East, two Health Maintenance Organizations.

There is a strong desire on the part of all employee groups to find a common ground in terms of plan design and acceptability. Working with union representatives we hope to come up with a solution to the existing situation.

On the property and casualty side, the Town has been favored with a complete, comprehensive, sound, and competitive program. As long as the insurance marketplace continues to be stable, we see no change in the program.

As we look ahead in 1991 we see the financial responsibility requirements of underground storage tanks being an issue that the Town must comply with in September. Fortunately, enough lead time is available to do this in a well thought out and smooth manner.

The Committee is always available to discuss any points of interest with interested parties.

Respectfully submitted,
Samuel W. Wakeman, Chairman
Robert C. Ernst
Robert J. Murphy

Committee to Survey the Structure and Function of Town Government

The purpose of this Committee is to survey the structure and function of Cohasset Town government, its officers, departments, and boards, and from time to time, report its findings and recommendations, if any, to Town Meeting. To this end the Committee held meetings on a regular basis this past year. We have also met, individually and collectively, with members of other committees, Town officials, and interested citizens.

In 1990 the Committee's primary activity was looking into the question of privatizing the Town's ambulance service. The Committee met with representatives from other towns, from private ambulance companies, the Cohasset Fire Department, and reviewed data from a variety of sources. The resulting report was presented to the Board of Selectmen in late summer. Their response to it will determine what further action the Committee takes.

The Committee kept in touch with representatives from surrounding communities in hopes of identifying redundant activities which could be regionalized, but little enthusiasm was evident. If municipal conditions in the region worsen, this issue may again move to the fore. The Committee also considered animal control, and determined that no action was necessary.

In the course of the year, the Committee's Chairman and Secretary were re-elected, and Jack D. Bryant joined the Committee.

Respectfully submitted,
F. Roy Fitzsimmons, Chairman
Wilson H. Pile, Secretary
Jack D. Bryant
Jean B. Cotton
Patricia G. Facey
Dennis L. Roth
James L. Whelan

FINANCIAL REPORTS

Town Accountant

Submitted herewith is my annual report for the fiscal year ended June 30, 1990. This report includes the following:

GENERAL FUND

1. Balance Sheet (Combined)
2. Statement of Revenues, Expenditures and Changes in Fund Balance
3. Report of Appropriations and Expenditures
4. State and County Assessments
5. Statement of Revenues, Expenditures and Changes in Fund Balance Actual vs. Budget

SPECIAL REVENUE FUND

Board of Assessors

Dear Fellow Townspeople:

We would like to give you some insight on assessing, its purpose, its problems and its pleasures.

PURPOSE: The Assessors' main function is to raise through taxation **exactly** the sum of money necessary to fund the operating Town Budget **voted** at Town Meeting—**NO MORE AND NO LESS**. The Assessors have no more control over that sum than the other 7300 registered voters in the Town. When Town Meeting is finalized and the tax levy set (as in FY 91) at \$9,438,776.82, we divide that sum by the total valuation of the Town's total taxable parcels, some 2,300, and arrive at a tax rate. In FY91 the tax rate was \$9.90.

PROBLEMS: Under Proposition 2 1/2, valuations of property are determined every three years based on sales to assessment ratios for the previous three years. That is to say the assessment for FY90 (our revaluation year), was based on the comparison of sales to assessment ratios for the years 1986 through 1989. Unless in the intervening years there was permit work of any nature conducted on a dwelling, the assessment remains the same until the next revaluation in 1993. There is no question that this system has brought with it problems not only for Cohasset, but for all of the other 351 municipalities in the Commonwealth. First, the declining real estate market has brought with it new questions regarding

how assessed values should be adjusted to reflect market conditions and the required “100% Full and Fair Cash Value”. Given that over the past many years the rule has been unprecedented growth, it is understandable that changes in the market are producing confusion as to what the requirements for adjusting values are. The assessed value for property tax purposes in a given fiscal year, is determined on an ‘Assessment Date’ of the prior January 1. For example, tax bills for FY91 (the current year) are based on property values determined as of January 1, 1990 and to determine those values the Assessors use data from the preceding calendar year. This means that the home price sales during calendar year 1989 are the basis of residential property assessments for FY 91. Given these facts, it is understandable that some taxpayers feel that their most recent assessments are higher than what they could expect to sell their homes for at this time, since the market has continued to slow down. However, it is important to note that these assessments are **correct** if they reflect values as determined on January 1, 1990, based on sales that occurred in 1989.

Secondly, the principle that taxes must be uniform and equitable demand that there be a fixed assessment date on which all property is valued. Even if it were possible to continue to update values based on current sales all the way up to the time tax bills are mailed, it would not be desirable because some taxpayers would have the amount of their taxes determined on the basis of more up-to-date facts than other taxpayers.

PLEASURE: As most of you know, Ms. Dorothy Graham has chosen to retire after forty years as a Town employee, having worked for the Board of Selectmen, the Board of Welfare and then the Board of Assessors. The Boards of Selectmen, Welfare and Assessors were one at the time. She has been a dedicated and conscientious worker for all of those forty years. Her knowledge of Assessing and the property within the Town is irreplaceable. She never failed to complete whatever task was asked of her and beyond, and the Assessors will miss her dearly. We have presently, at this writing, Janice Rosano working as diligently as possible to complete all of the tasks previously handled by two people. The office processes, in addition to the real estate tax bills, 177 personal property bills, 300 excise tax bills on boats (approx.) 8500 excise tax bills on automobiles, and (approx.) 450 sewer and water liens yearly. This is no small task, and we are proud to have had two such devoted public servants in our employ. And we continue to be thankful that the Town has Janice to carry on all of this work.

The Assessors would like to present the following information to you, our fellow taxpayers.

Type of Property	No of Parcels	Total Valuation	% of Total
Residential	2217	\$867,040,500.00	90.9546
CIP (Commercial Industrial and Personal Property)	86	80,158,059.00	9.0591

Note: The difference between the Town’s total 3300 parcels and the figures above are in Town-owned land, open space and lands held by other non-taxable entities.

As we move forward into the 90’s, the challenges facing the Assessors are formidable and numerous. Be assured that the present Board is prepared to face all of these problems

squarely, with resolution and firmness, and most importantly, fairly, for the benefit of all of our residents.

Respectfully,
James W. Lagrotteria, Chairman
Thomas S. Duggan
Michael C. Patroliia

LAND USE CONTROL

Building Inspector and Zoning Officer

The following is a report of the Building Department for the year 1990:

Building Permits Issued	387
Building Permit Fees Paid to Treasurer	\$47,732.00
Estimated Cost of Construction	\$5,976,361.00
Buildings Inspected for Group Occupancy	16
Group Occupancy Fees Paid to Treasurer	\$760.00
Occupancy Permits	24
Fees for Occupancy Permits	\$650.00
Plumbing Permits Issued	159
Plumbing Inspector Paid for Services	\$4,199.00
Plumbing Fees Collected	\$6,124.00
Gas Permits Issued	98
Gas Inspector Paid for Services	\$1,508.00
Gas Fees Collected	\$1,696.00
Fees for Copy Machine Use	\$48.00
Zoning Maps (38 sold)	\$114.00
Zoning By-Laws (83 sold)	\$415.00
Topo Maps	\$10.00

The Building Department showed an increase of 16% in the number of permits issued, although the value of construction decreased by 13%. The permit fees collected remained the same as in the past year.

In addition to reviewing proposed construction and issuing building permits, the building inspector conducts inspections of construction in progress, issues Certificates of Occupancy, inspects public building and all buildings for public assembly. The Building Inspector is also responsible for enforcing the Cohasset Zoning By-Law.

I would like to thank the other Town Boards and Departments for their assistance and cooperation in the past year and I hope that I have extended the same to them.

Respectfully submitted,

Robert M. Egan

Building Inspector/Zoning Officer

Conservation Commission

1990 was an extremely busy year for the Conservation Commission. The Commission met almost weekly with all seven members present at most meetings. The Commission held 36 hearings on new Notices of Intent, 26 hearings on Requests for Determinations of Applicability (hearings are often continued over several meetings), and reviewed over 91 Building Permit Applications with owners, engineers, architects, contractors, and landscapers, with many meetings lasting from 7:30 p.m. until almost midnight. In addition,

Commissioners had to personally inspect all the properties for which hearings were held. Many of these were very complicated, involving expensive projects such as subdivisions, shopping center septic system, piers, docks and floats in the Harbor, as well as on the Gulf, and also involving remittance of flooding and drainage problems.

The Commission also completed and published the new Cohasset Wetlands Regulations authorized under the Cohasset Wetlands Protection By-Law. Additionally, Commissioners and their secretary attended many training sessions and workshops provided by the Massachusetts Association of Conservation Commissions, and the Commonwealth of Massachusetts' Department of Environmental Protection on the new State regulations.

Board of Health

In 1990 William E. Baird, P.E., was re-elected for a second three-year term. Michael H. Sullivan was elected Chairman and Sharon L. Becker Clerk during reorganization of the Board. Dr. Joseph R. Godzik continued as Health Agent, with Carol Oteri-Puffer serving as Administrative Assistant.

The operation of the Recycling/Transfer Facility (RTF) proceeded smoothly throughout the year. Cohasset remains in the forefront of surrounding communities with a full year's experience under a Mandatory Recycling By-Law. An annual \$52 permit fee for residential use of the RTF was adopted. Intermediate cover material was placed over the Landfill in preparation for closure. A consent order was signed with the Massachusetts Department of Environmental Protection (DEP), establishing general parameters regarding closure and setting up of a timetable for completion. The DEP agreed to the construction of a groundwater diversion wall rather than a leachate groundwater collection system. The diversion wall will reduce groundwater contamination and save large sums of money in leachate disposal costs once the Landfill is closed.

A joint venture with the High School Water Department and The Gulf Association, Inc. to study water quality of the Gulf River Watershed was initiated. The project will continue on into next year and hopefully also will involve the Town of Scituate. High School students will collect water samples and perform analytical tests for water quality at the Water Department laboratory.

The noxious odors in the area of the Cohasset Heights Ltd. Landfill continue. Two projects to mitigate or eliminate the odors have not been successful. A final plan to collect and burn the gases coming from the landfill is awaiting approval by the DEP.

Installation of new septic systems for the Osgood and Deer Hill Schools and the housing on Government Island, was overseen by the Health Agent. Actual installation was performed by the Highway Department, with engineering supervision provided by the

Norfolk County Engineers. Many thousands of dollars were saved through the utilization of Town personnel for these important projects.

On September 15, a household hazardous waste collection day was held for residents of the Town. Thirty-two 55-gallon drums of hazardous waste were collected. Changing habits to use non-toxic materials instead of hazardous ones will reduce the necessity for such collections in the future. Another collection day is planned for 1991. Waste oil and batteries are now accepted at the RTF.

A program for testing of private well drinking water was provided to residents at no charge. Samples were collected by a High School science student, who was paid for his services, and testing conducted by Water Department laboratory staff. Equipment used for testing was purchased through the cooperation of the Water Department and the Board of Health. Ongoing use of the new equipment for projects previously sent to commercial laboratories will reduce expenses.

With the data capability of the Board of Health's new computer, a program is in place to enforce the Town By-Law requiring homeowners to pump their septic systems every other year.

The Board continues its attempt to meet the needs of the townspeople despite the existing and further projected State fiscal crisis in support services and staff. As always, our priority is to maintain and protect the public health of the community.

Septage Hauling Revolving Account Report

	Amounts Collected	Interest Earned
1989	\$39,836.50	\$262.05
1990	\$81,941.80	\$1,071.12

Respectfully submitted,
Michael H. Sullivan, Chairman
Sharon L. Becker, Clerk
William E. Baird

Recycling Committee

The Recycling Committee has had a very busy and successful year keeping up with the ever-changing markets for our recycled products.

Paper and glass are still our largest products with corrugated cardboard and plastic following close.

One vendor taking our chipped milk jugs went out of business so we had to find another market. A large semi-trailer was loaned to the committee and is used for storage of the plastic containers. Recycling Services of South Boston brings its own chipper and takes plastic directly from the trailer.

An agreement was made with the Salvation Army to remove on a weekly basis clothing placed in their box at the Recycling Transfer Facility (RTF). This has been very successful with a bin filled within each week. Small toys, etc. are also taken from the Boutique at each visit by the Salvation Army.

Compost produced from leaves collected last fall has been developed with compost being taken by home owners and also used for dressing along the roadway entrance of the RTF. The new batch of fall leaves are on site and "cooking."

Tin and aluminum cans are collected in a small bin on site.

Tires collected for a fee are being picked up from the storage trailer when it is full.

Iron and steel, including large appliances, are stockpiled. When a sufficient amount is accumulated, the vendor crushes/services items on the premises and removes them.

Aluminum market fluctuates and product requires so much work cleaning that it is also placed in the steel pile for disposal.

Waste oil is collected and then stored in a special tank in the supervisor's building. A program was arranged for residential disposal of this hazardous waste.

Batteries are recycled as they accumulate.

Returnables are collected in the Boy Scout building and sorted, boxed or bagged. Scouts and volunteers deliver them to redemption centers.

A progress sign donated by the Cohasset Boy Scouts shows recycling efforts on a monthly basis with cost effective savings to the Town.

Recycling is only as successful as the residents of the Town work to make it so. The Recycling Committee thanks all the citizens of Cohasset, including the RTF employees, in their efforts to make recycling the success that it is.

Respectfully submitted,

Arthur L. Lehr, Jr.

Merle S. Brown

John F. Hubbard

Transfer Station Building Committee

At the beginning of 1990 the Transfer Station was in operation, but there was a list of five punch-list items to be completed. The Town had retained \$10,200 from the contractor's final payment request pending completion of these items. It had also retained \$2,500 of the engineers' fees pending completion of liaison work related to these items.

During the year, two of the five items have been completed. The Town has received a complete set of as-built drawings and our committee has reviewed and accepted them. The Town has also received and accepted a letter from the building manufacturer assuring us of the structural integrity of the northeast corner of the building as installed. As a result of these completions, the Town has released \$8,000 to the contractor and \$1,000 to the engineers. We still hold \$2,200 from the contractor and \$1,500 from the engineers pending completion of the remaining three items.

On October 20, Peter O'Connor resigned from our committee to accept an appointment to the Advisory Committee. He leaves with our best wishes and thanks for a job well done.

Respectfully submitted,

J. Anson Whealler, Chairman

William E. Baird

Arthur L. Lehr, Jr.

Joseph R. Godzik (ex officio)

Design Review Board

The Design Review Board had an active year. We worked on improving the Tedeschi Plaza Shop frontage on Route 3A and the historic water pump layout for Cohasset Village. We also assisted the Planning Board with the changes to the signage by-laws.

Unfortunately, we lost two of our members this year when Roger Whitley and Peter O'Connor accepted appointments to the Town Advisory Committee. We wish them both well in their new posts.

Respectfully submitted,
Gordon S. Hislop, Chairman
Robert A. Stansell, Jr.
Eileen M. Corbett
Nancy S. Garrison
Peter O'Connor
Maxwell R. Pounder
Roger S. Whitley, Associate (resigned)
Robert M. Egan (ex officio)

Metropolitan Area Planning Council

Thanks to Cohasset and 100 other Communities, the Metropolitan Area Planning Council was able to continue to provide communities with regional planning services throughout fiscal year 1990. From July 1, 1989 through June 30, 1990, Cohasset contributed \$1,424.00 to MAPC.

1. As part of MetroPlan 2000 — our regional development plan — Cohasset was included in the following projects:
 - a. An environmental features map related to the regional open space plan.
 - b. Maps of the sewer service area and detailed analyses of sewer and water capacities.
 - c. Solid waste management analyses and mapping.
 - d. Analysis of local transportation priorities.
 - e. Economic development and housing analyses.
 - f. Open space and resource protection data analyses.MetroPlan 2000 has been presented to the Cohasset Board of Selectmen.
2. Cohasset was also included in these MAPC demographics reports:
 - Employment and Income Forecasts
 - Population and Age Group Forecasts
 - Regional and Community Population and Employment Forecasts
 - Business and Residential Growth in Metropolitan Boston
3. In addition, MAPC tracks recent and proposed commercial, industrial, and residential development projects in Cohasset for research purposes.
4. The South Shore Coalition has also included Cohasset in these projects:
 - a. The SSC produced a complete listing of all the fees charged by the Coalition towns.

- b. The first phase analysis of the solid waste management practices of the ten towns was completed, with proposals for the future.
- c. The SSC lobbied for the disposal of the Central Artery construction material on Spectacle Island.
- d. The SSC testified on behalf of the restoration of the Old Colony Railroad.
- e. The SSC worked with the South Shore National Science Center, the Mass. Audubon Society, the New England Wildlife Center, and the League of Women Voters to produce a major Earth Day program.
- f. With the Environmental Protection Agency, the SSC successfully lobbied for the Massachusetts Bay and the Cape Cod Bay to be included in the National Estuary Program.

MAPC appreciates Cohasset's continued support, and looks forward to further service in the years ahead.

Sincerely,
 Martha K. Gjestebj
 MAPC Representative

Planning Board

The Cohasset Planning Board, under the authority granted to it by M.G.L. Chapter 40A, Chapter 41, and the Cohasset Zoning Bylaws, fulfilled the following responsibilities in 1990:

- * Reviewed eight subdivisions not requiring approvals;
- * Reviewed for initial consideration or final approvals one subdivision;
- * Continued monitoring of approved Cluster Developments;
- * Continued monitoring of approved subdivisions;
- * Continued monitoring of approved Site Plans under construction;
- * Proposed for inclusion in the Zoning Bylaws the following additions and/or changes:

Change 75 days to 100 days for final action from the Board of Appeals before it shall be deemed granted.

Requirement of two (2) permanent survey monuments to be included in a Site Plan Review.

Requiring trailers & non-operative and unregistered motor vehicles remaining over 30 days to be subject to same regulations as a structure in that district.

Requirement of a Site Plan Review of a building or structure in any Business and/or Light Industry District when a use is nonconforming.

Including trailer in regards to use for storage of material or equipment in the Use Regulations, Section 4.2.

Respectfully submitted,
 Alfred S. Moore, Jr., Chairman
 William J. Good, Vice Chairman
 Daniel C. Cotton, Clerk
 John F. O'Toole
 Robert H. Sturdy

Plymouth County Mosquito Control Commission

The Project is a special district created by the State Legislature in 1957, and is now composed of 23 Plymouth County towns, the City of Brockton, and the Town of Cohasset in Norfolk County. The Project is a regional response to a regional problem and provides a way of organizing specialized equipment, specially trained employees, and mosquito control professionals into a single agency with a broad geographical area of responsibility.

1990 was a year of extensive mosquito activity due to significant rainfall during Autumn and Spring. Efforts aimed at the immature larval mosquitoes were pushed to the limit. Upon emergence of the Spring brood of adult mosquitoes, ultra low volume spraying began. Residential complaints were received at our office in record numbers, and all available manpower was utilized to combat requests from homeowners concerning the abundance of mosquitoes in their particular areas. All sprayers and trucks performed well and almost no time was lost to breakdowns.

In April, the Massachusetts Department of Public Health issued an advisory on Eastern Encephalitis to local Boards of Health and Mosquito Control Districts. An additional advisory was issued to all campgrounds in Southeastern Massachusetts in early summer. The first isolation of Eastern Encephalitis virus in *CULISETA MELANURA*, a bird biting species, was detected in Halifax the week of June 22, and Health officials were concerned about a spillover of virus into other mosquitoes known to bite humans. The highest risk for transmission of virus to humans usually occurs during August and September. Information based on Department of Public Health mosquito trapping data precipitated an aerial spray program for all of Plymouth and Bristol Counties, plus a portion of Norfolk County, during the morning and evening of August 27-29. A dramatic reduction in adult mosquito population occurred after the spray program, but three human EE cases had been contracted prior to the aerial spray. All historical case data suggest a return of the EE virus, which runs in two or three year cycles, in 1991.

The figures specific to the Town of Cohasset are given below. While mosquitoes do not respect town lines, the information given below does provide a tally of the activities which have had the greatest impact on the health and comfort of Cohasset residents.

Insecticide Application: 2,640 acres were treated using truck mounted sprayers for control of adult mosquitoes. More than one application was made to the same site if mosquitoes reinvaded the area. The first treatments were made in May and the last in October.

Our greatest effort has been targeted at mosquitoes in the larval stage, which can be found in woodland pools, swamps, marshes, and other standing water areas. Inspectors continually gather data on these sites and treat with highly specific larvicides when immature mosquitoes are present. Last year a total of 69 inspections were made to 68 catalogued breeding sites.

Finally, we have been tracking complaint response time; that is, the time between notice of a mosquito problem and response by one of our inspectors. The complaint response time in the Town of Cohasset was less than two days, with more than 112 complaints

answered.

Water Management: During 1990, crews removed blockages, brush and other obstructions from 565 linear feet of ditches and streams to prevent overflows or stagnation that can result in mosquito breeding. This work, together with machine reclamation, is most often carried out in the Fall and Winter.

Mosquito Survey: A systematic sampling of the mosquitoes in Cohasset indicates that *Coquillettidia perturbans* was the most abundant species. Other important species collected included *Aedes Vexans* and *Culiseta melanura*.

We encourage citizens or municipal officials to call our office for information about mosquitoes, mosquito-borne diseases, control practices, or any other matters of concern.

Respectfully submitted,
Frank E. Parris, Chairman
Carolyn Brennan, Vice Chairman
Robert A. Thorndike, Secretary
William J. Mara
Richard E. Kurger, Sr.,
Commissioners

PUBLIC SAFETY

Animal Control Department

During the past year the Animal Control Department has received a total of 1,004 calls on a variety of animal-related problems and complaints.

There was a total of 705 licensed dogs in the Town, and of the 705 dogs, 525 of them were either spayed or neutered.

41 court complaints were issued to Cohasset residents for violation of the Town's leash law. From the 41 court complaints issued, a total of \$1,450.00 was collected in fines.

110 warnings were given and a total of 26 dogs were impounded. Of the 26 dogs impounded, one was euthanized and one was adopted by a Cohasset family.

Although it may be frustrating at times when I am not immediately available to answer your calls, it must be remembered that I work only part time

Respectfully submitted,
William P. Quigley,
Animal Control Officer

Civil Defense

The past year was a quiet year as far as local emergencies were concerned. Through this time a comprehensive emergency management plan for the Town of Cohasset was completed with the help and cooperation of various department heads. The purpose of the plan was to develop a management program which seeks to mitigate the effect of hazards, to preserve life and minimize damage, and to respond during emergencies and assist in returning the town to normal.

Our Emergency Alert Test Program has functioned satisfactorily during the year.

I thank and compliment all town departments and employees in their dedication to responsibilities that at times seem routine.

Respectfully,
Arthur L. Lehr, Jr.
Civil Defense Director

Fire Department

A statistical analysis of the Department responses for the year is as follows:

Structure Fires	39
Motor Vehicle Accidents	19
Motor Vehicle Fires	5
Medical Calls	472
Brush/Outdoor Fires	30
Investigations	153
Assistance/Miscellaneous	362
Inspection	239
Total	1,327

Mutual aid with surrounding fire departments;

Aid Rendered	104
Aid Received	37

At the end of 1990, the Fire Department was operating the following apparatus out of the single fire station at 44 Elm Street:

Engine 21, a 1987 Pierce Dash 1250 GPM Pumper.
Engine 2, a 1961 Prisch 750 GPM Pumper.
Engine 23, a 1979 Farrar/Duplex 1250 GPM Pumper.
Ladder 1, a 1978 Seagrave 100 foot Aerial Ladder.
Forestry 1, a 1982 Farrar/Ford 4wd 100 GPM Brush Pumper.
A-28, a 1985 Wheeled Coach/Ford Class 1 Ambulance.
Car 20, a 1987 Ford Sedan.

The medical calls that the Department responded to in 1990 are listed below:

Total Runs	477
Number of Persons Transported	345
Persons Treated at the Scene	97
Mutual Aid Rendered	69
Mutual Aid Received	22
Total Miles Traveled	9,653

On October 1 the Fire Department EMTs began using the Semi Automatic Emergency Defibrillator. Fifteen of our Firefighter/EMTs passed certification by the end of the year. I am sure this will truly be a lifesaving addition to emergency medical service we provide. Cohasset continues to have the best service with the funds available for this most important task of saving lives. In this time of financial crunch, we tend to rely more on support from friends and neighbors; therefore, I would like to extend to the citizens of Cohasset, Board of Selectmen, the heads and members of the Town Departments and Committees, and especially the officers and firefighters of the Fire Department my sincere thanks and appreciation for their cooperation and assistance.

Respectfully submitted,
Daniel F. Brock
Chief of Department

Cohasset Police Department

FEES RETURNED TO GENERAL FUND:

Court fines & assessments	\$15,785.00
Parking violations	18,922.00
Paid detail surcharge	6,439.35
License fees	785.00
Requests for police reports	928.00
Restitution	90.65
	\$42,950.00

Respectfully submitted,
Joseph M. Kealey, Chief of Police

Fire/Police Station Renovation Committee

The Committee began 1990 by continuing discussions with its architect and various Town boards and officials with respect to the pending re-modified renovation plans of the Police/Fire Station.

A proposal was agreed upon, and a budget was approved by the committee and subsequently by the Selectmen, for presentation to the voters.

The final amount, based on specific line item estimates provided by the architect, was \$396,000, which I am happy to report was approved by the voters as a result of the Annual Town Meeting convened on April 7, 1990.

During the Summer our architect prepared final plans and specifications preparatory to the bidding process.

The Committee was extremely pleased to have received sixteen bids from general contractors and over sixty-one sub-bids.

The general bid was awarded to Lambrian Construction Corp., 341 Belgrade Ave., Roslindale, Mass, for \$248,366, which was well below our \$300,000 estimate for the construction phase of the project.

Construction actually began the week after Thanksgiving and has progressed quite rapidly.

As of year's end the new roof is on, the general rough carpentry complete, and the new entrance pads and a good amount of electrical and plumbing is finished.

Completion now appears to be possible by April 1, 1991. Bob Egan, Town Building Inspector, has performed yeoman service as clerk of the job.

During the year, the standing committee of Gerard Buckley, William Higgins and myself welcomed the assistance of new member Joseph Manfredi, who is a knowledgeable mechanical engineer.

Respectfully submitted,
David Chase, Chairman
Gerard A. Buckley
Francis Collins
William Higgins
Joseph F. Manfredi

Wire Department

FIRE AND TRAFFIC SIGNALS; Replacement of 1,000 feet of alarm wire was installed along Atlantic Avenue and Linden Drive. One new alarm box was installed on the Fire Alarm system. Alarm boxes were tested and painting was started on boxes. Traffic lights were kept in working condition, and replacement of two flashing lights will be done this Spring.

WIRE INSPECTIONS; All work done by electrical contractors was inspected by the Wire Department and fees collected were turned in to the Town Treasurer.

TOWN BUILDINGS; Electrical work done on Town-owned buildings was completed by the Wire Department.

I wish to thank the Board of Selectmen for its co-operation with my Department and to thank the men who worked with me this past year.

Respectfully submitted,
Stephen F. Wigmore, Superintendent of Wires

PUBLIC WORKS

Cemetery Study Committee

Our Committee was increased to five members during 1990. At the request of the Selectmen, we reviewed our site options again. To date, no new site has been selected as an alternate to Pleasant Street.

During the year, we completed engineering and survey work on the Pleasant Street site, and filed a Notice of Intent with the Conservation Commission and State D.E.P. for review.

Recommendations were made to the Selectmen regarding Beechwood Expansion, New Rules and Regulations, and the repurchase of graves.

Respectfully submitted,
Glenn A. Pratt, Chairman
William J. Ferriter
Mary A. Hartwell
Jane M. Hamilton
Nancy C. Snowdale
Gerard L. Deveney
Peter G. Laugelle (ex officio)

Department of Public Works Study Committee

The Board of Selectmen voted to establish a Department of Public Works Committee at its August 6, 1990, meeting. The charge of this committee is to study the feasibility of combining two or more of the following departmental operations:

- Highway Department
- Tree, Park and Cemetery
- Wire Department
- Recycling Transfer Facility
- Water Department
- Sewer Department

The committee's initial task was to develop a work plan for achieving the objectives outlined in the committee's charge. This work plan includes the following tasks:

- Review other towns' experience with public works departments.
- Summarize the current situation for each department in Cohasset with respect to the following:
 - Enabling mechanism
 - Organization and staffing
 - Operations
 - Equipment and facilities
 - Budget
- Identify potential opportunities for increased effectiveness and/or reduced costs.
- Develop one or more possible approaches for consolidation that take advantage of these opportunities.
- For each alternative approach for consolidation, describe the following:
 - Financial implications
 - Improved efficiency and/or effectiveness
 - Organizational and personnel changes required
 - Legal changes required
 - Implementation schedule.
- Prepare a report presenting the committee's recommendations and documenting each phase of the study.

During 1990 the committee's efforts have focused on the first two tasks listed above. As part of our review of other towns' experiences with public works departments, we contacted twelve communities first to determine whether or not they currently have a public works department. For those towns having a DPW, questions were asked regarding the department's organization, costs and benefits associated with the department, etc.

To develop a better understanding of the current situation for each of the six departments included in our charge, we have obtained and reviewed the following for each department:

- Budgets for FY90 and FY91
- Job descriptions and responsibilities for department personnel
- List of vehicles and equipment.

In addition, we have initiated a series of meetings with the heads of each department to provide us with more detailed information on the operation of each department and to allow

them to express their opinions regarding any proposed consolidation.

In 1991 we will complete our interviews with department heads. Once completed, we will review the results of these meetings and other information that we have obtained, identify potential opportunities for increased effectiveness, cost savings, etc., and develop one or more alternative approaches for consolidation. The report documenting these activities is tentatively scheduled to be completed by the end of February.

Very respectfully,
DPW Study Committee
Terry J. Atherton, Chairman
Robert K. Dennis, Clerk
John F. Greene
Mary Jane McArthur
Robert J. Moody

Government Island Study Committee

In 1946 this volunteer seven member committee was voted by the residents of Cohasset, at Town Meeting, to act as advisors to the Selectmen. This committee consists of six community-minded members whose interest is in the Town and the preservation of Government Island, one of the Town's most historical landmarks. The Harbormaster is the seventh member.

This Committee, which has no budget, makes recommendations to the Selectmen, who evaluate and accept or reject suggestions.

During 1990 we have maintained contact with the Historical Commission regarding the reconstruction of the top section of Minots Light on the Island.

The Committee believes that the Island is one of Cohasset's greatest assets, historically, commercially and recreationally. We want it to be used, appreciated and loved by all, townspeople and visitors alike.

Respectfully submitted,
Hamilton T. Tewksbury, Chairman
Richard P. Barrow
Robert M. Davenport
Edward J. Figueiredo
Vivian M. McCormack
Noel A. Ripley
Irving E. Gadow, Jr., Harbormaster.

Highway Department

During the winter months, beginning on November 23, 1989, we concentrated our efforts on snow removal and ice control. We were out a total of forty-one times. Once again, I feel we can all be proud of the job the men from the Highway Department and the hired contractors have done in keeping our streets safe during the winter months. Cohasset is, indeed, one of the safest towns for travel after a snow storm, and for that, we can thank these conscientious workers.

With any break in the weather, my Department worked on the repair and/or replacement of catch basins and connecting pipes. In all, sixteen basins were rebuilt and three new basins were installed. One hundred and eighty-eight feet of ten-inch aluminum pipe was installed with these new basins.

Once the good weather arrived, we started our program of road sweeping. Every street was swept and cleaned of the build-up of sand and general winter debris. During the following months the sweeper was out whenever possible, keeping the streets clean.

During the year, my men replaced or repaired signs at the request of the Board of Selectmen. We also fixed fences with whatever money was available.

We installed new sewerage systems at the Joseph Osgood and Deer Hill Schools and at the Government Island House with the help of the Norfolk County Engineering Department. We also repaired the roof drains at the Deer Hill School.

Seven hundred and seventy-six tons of asphalt was used to grader patch various roads and two thousand, five hundred and seventy feet of sidewalks were resurfaced.

The Highway Department also removed the gas tanks from the Police/Fire Department building.

I would like to extend special thanks to my men, and to Stephen Wigmore of the Wire Department, Joe Hamilton of the Water Department, and Peter Laugelle of the Tree & Park Department, for their continued support and cooperation.

Respectfully submitted,
Harold W. Litchfield
Highway Surveyor

Sewer Commission

In general, the Town's Wastewater Treatment plant continues to operate on a satisfactory basis. In August and September, the plant was hit by apparently illegal discharges, which resulted in temporary operation above permit levels and odor problems. The Commissioners have written to all sewer users on this matter and are also investigating other steps to protect the integrity of the collection system. As of the writing of this report, the plant is once again operating on an entirely satisfactory basis.

In October, the Commission signed a three-year contract for the operation and maintenance of the Town's Wastewater Treatment Plant with Professional Services Group Incorporated of Houston, Texas, headquartered locally in Brockton. This contract commenced November 1, 1990. It expires October 31, 1993.

The Commonwealth indicates that revised funding may soon be available for the project to connect the Town's wastewater system with the Town of Hull's treatment plant.

Additional information on this should be forthcoming in the first quarter of 1991.

Respectfully submitted,
Edward M. Guild, Chairman
Henry A. Rattenberry
R. Gary Vanderweil, Jr.

Tree, Park & Cemetery Department

The Tree & Park Department had a very busy Spring, Summer and Fall maintaining the Town's parks, commons, and playing fields, due to a lot of rain and hot weather. Because of the additional cuts in budget, we did not have a capital outlay budget this year. We concentrated on work that did not involve a lot of equipment, but mainly use of labor.

The Department assisted in two projects at Osgood and Deer Hill Schools that required loam and seeding on new septic systems.

The Cemetery Department made improvements at Woodside and Beechwood Cemeteries, which involved repairing and re-cementing some headstones.

The Tree & Park Department would like to thank all other departments for their help and cooperation.

Respectfully submitted,
Peter G. Laugelle, Superintendent

Water Department

The major accomplishment of 1990 was the acquisition of land around Lily Pond for the protection of our water supply. These 37 acres will remain in their natural state for the mutual benefit of all. Donations have already been received through the Conservation Trust to reduce our annual payments and we intend to continue seeking other sources and grants.

Production for the year was 200,400,000 gallons.

We thank the men and women of the department for their continued efforts and service throughout the year. We further acknowledge and appreciate the cooperation of the other Town Departments and personnel for their assistance, with special thanks to Highway Surveyor, Harold Litchfield and his staff.

Respectfully submitted,
Ronald H. Goodwin, Chairman
James R. Sheerin
William J. Montuori
Water Commissioners

HUMAN SERVICES

Council on Aging

1990 was a year of challenges for our seniors, as well as our staff. Due to the grim financial picture generally, services to senior citizens were directly impacted all across the State. In July, the grant allocation for the Town's elderly was reduced by 10%, and another 10% was cut from our Town budget, resulting in the termination of the newsletter "Vista", and all class instructors.

This past year has been one of political activism for all of us. In May, COA members participated in a regional board training session designed and co-ordinated by its Directors and the Executive Office of Elder Affairs, with the Towns of Milton and Weymouth. Out of this training came the mission statement for the Cohasset COA, and plans for three-year goals and objectives. In August, the COA hosted first-of-its-kind regional board training on the history and responsibility of Councils on Aging, offering training resulted in a better knowledge of the concerns of various towns. Eighteen different Councils attended the one-day sessions. In October, three staff and board members attended an all-day Workshop for the State-wide Elder Advocates training program in Weymouth. In late Fall, five staff and board members attended the Massachusetts Council on Aging Conference in Fitchburg. All saw first-hand that this Council is truly "community based", and the needs of elders are foremost in the minds of the board and staff in Cohasset.

Our three major programs, "Shine", "Outreach", and transportation, have grown substantially over the past year. The Cohasset "Shine" program submitted a grant to EOEI through August of FY91. This grant was approved, and the "Shine" program remains in good shape financially through this period, despite the fact that three consortiums out of nine lost all funding and two others had the Co-ordinators' hours reduced. The "Shine" program, under the direction of Pat Ryan, feels that this is great news for Cohasset and we are proud of the work of Pat and her counsellors. "Shine" has had a growth rate of about 35% since its inception in July 1989, and looks forward to placement of counsellors in South Shore, Quincy, and Milton Hospitals in the Spring of 1991.

Establishing contact with isolated elders and making them aware of available services is at the heart of our "Outreach" program. In October 1990, as a follow-up to the goal-setting of the board, the "Outreach" worker organized a "Caring for Elders at Home" series, held for five weeks at the South Shore Art Center. After January, the COA is planning to institute a monthly support group for family/friend caregivers of older persons. This support group will provide an opportunity for the primary caretaker of older persons living at home to discuss common concerns and share information. Other projects planned by the "Outreach" program in 1991 include calling on people between the ages of 80 and 89, contacting Town department heads to inform them of services offered, and working closely with the Handicapped Commission to ensure that handicapped people have proper access to a transportation accessible vehicle.

While 1990 was a successful year in terms of numbers of people served, it was also a difficult year because of financial constraints on the Town and agencies the Council relies upon for services. South Shore Elder Services was forced to close intake for new clients from

July through December, and while the COA could not possibly provide the types of services available through home care, we worked to the best of our ability to locate alternative services that would enable older persons with certain needs to remain at home in an independent manner.

The Council expresses its appreciation to the volunteers who are the mainstay of our operation, the assistance and guidance it has received from EOE, the Massachusetts COA Association, South Shore Elder Services, Friends of the COA for their financial support, support and education of our staff, Social Service League, other Town departments that are always willing to help, and residents of Cohasset for their support. We give special thanks to Rev. John J. Keohane, Tony Finegan, Kathy Brennock, and Ann Hublitz (SSL), who stepped down from the board in June, for their continued energy and talents. We would also like to publicly thank the third-grade Osgood School classes for the wonderful programs they planned over the past year. Four times a year following the Tuesday afternoon lunch program, we all had a chance to enjoy the children, and share a new experience. We hope to be able to expand this project in 1991.

Cohasset Housing Authority

The Authority is presently involved with the construction of housing for eight clients with special needs at 72 Elm Street under Chapter #689. The program is a cooperative effort involving the Department of Mental Retardation and the Authority, and the units should be ready for occupancy in Spring of 1991.

Funding for the renovation and rehabilitation of the elderly housing complex continues under the auspices of the State Modernization Bureau, and the scope of work to be completed will include gutters, downspouts, attic ventilation and kitchen heaters.

Construction of family affordable housing continues to be a goal of the Authority. The land donated by the Town did not pass required percolation testings; consequently, the

Authority is in the process of attempting to purchase private property.

In October, the Authority applied to EOCD for congregate housing for frail elderly clients, and it is hopeful that approval for this program will be forthcoming.

The Federal Housing and Urban Development Section #8 Program is in place and is administered through the Authority office.

The elderly units continue to be fully occupied and four new residents were welcomed to Harborview this year.

The Authority wishes to thank the Highway Department, Fire Department, Social Service League, Visiting Nurse Association, Council on Aging, Homemakers, and all agencies that contribute to the health and well being of the residents at Harborview.

Yolanda I. Baccari, Assistant

Historical Commission

1. We are committed to introducing the school children of Cohasset to the Town's history. Our project this year, headed by Judy Fitzsimmons, was to present a slide show to the 90 children of the fourth grade. The program concerned early means of transportation, including the rail road, stagecoach, steamboats, sail boats, and the effect on the growth of the Town.

2. David Wadsworth is continuing additions to the survey of historically significant houses and landmarks in the Town. We are concentrating on the Victorian houses of Cohasset.

3. Hamilton Tewksbury rebuilt the roof and the door to the receiving tomb in the Beechwood Cemetery. The tomb was built in 1883 and needed preserving. It has been vandalized for many years, and now it is tight to the weather and secure.

4. We are in favor of replacing the original wooden Town Pump in front of the hardware store. Jacqueline Dormitzer is heading the restoration committee and the pump should be an attractive addition to the downtown area of Cohasset.

5. The Minots Light Replica project is progressing on schedule. New England Steel Tank of Quincy is fabricating the steel lantern room. Mark Coopman has donated many hours and materials to the nearly completed tower. The domed roof is receiving the copper covering. We hope to erect the lantern room this spring after the stone ceiling is repaired. The steel will be brought to Government Island and the five-ton structure will be erected. The Plexiglass windows will make it tight to the weather, and that should end the second phase of the project

The primary purpose of the Cohasset Historical Commission is to help preserve the

character and flavor of the Town. We welcome concerned citizens to our meeting and encourage public participation. Our regular meetings are held in the Town Hall on the second Monday of the month. We are always interested in worth while new projects concerning restoration identification and preservation.

Drug and Alcohol Committee

Since its first meeting in July 1990, the Drug and Alcohol Committee has been actively bringing the issue of substance use and abuse to the Town. With members from the School Committee, student body, Police Department, and the general population, the committee truly represents the community. The committee's philosophy is as follows:

“The purpose of the Drug and Alcohol Committee of Cohasset is to bring about a new order of higher consciousness concerning the use and abuse of chemical substances in the community. Its principal tenets include:

To educate the community about the physical, emotional, and spiritual consequences of substance use and abuse;

To expand awareness of the impact of such use on the individual, the family, and the community;

To enlist the community's active participation and cooperation in developing new attitudes towards substance abuse."

In keeping with that philosophy, we instituted the "Safe Homes" program for children in grades 6-12. We feel the initial response to the program has been excellent and we plan to continue promoting it throughout 1991. The program, through individual contributions, was entirely self funded. We have received inquiries from other towns and private schools regarding our experience with the "Safe Homes" program, and are providing whatever assistance we can to them. Additionally, two of our members have been active with both the Mariner and Cable TV in implementing educational programs. The committee has also asked school organizations holding mixed youth/adult functions to consider making those events alcohol free.

Plans for 1991 include: an open house for "Safe Homes" participants, providing a forum for discussion by interested parents; a seminar to be conducted by "Prevention Resources" for elder caregivers from Cohasset and surrounding towns regarding substance use issues among the elderly; a Town-wide awareness program to be held in conjunction with state or national awareness efforts; and a program to open lines of communication between the schools, the police and the community regarding substance use and abuse.

Handicapped Commission

On January 22, 1990, the Task Force for Citizens with Disabilities held an organizational meeting for the objective of forming a Handicapped Commission. Under the provisions of M.G.L., Section 8J, Chapter 40, a Handicapped Commission is authorized for the purpose of coordinating or carrying out programs for the disabled in coordination with the Office of Disability. The warrant article drafted by the Task Force creating a Handicapped Commission passed at Town Meeting and was later approved by the Attorney General.

The organizational meeting of the Handicapped Commission was held on September 12, 1990. The goals of the Commission are to identify and gather available resource material, to identify equipment available for the disabled, to identify disabled Cohasset residents, to be a liaison with other Town boards and commissions and to survey public and private locations open to the public in regard to accessibility for the disabled.

At this time, the Commission is gathering resource materials on different aspects and issues facing the disabled. In order to identify disabled residents, a needs assessment survey

will be distributed in cooperation with the Council on Aging. With the help of the community access monitor, the Commission will assist businesses in becoming handicap-accessible.

Paul Pratt Memorial Library

The Board of Library Trustees gratefully acknowledges the valuable support of the Friends of the Cohasset Library, and the 334 persons and families who contributed to the Friends' first Townwide fund drive in the Fall of 1989. This fundraising effort enabled the Friends to make an unprecedented gift of \$7,000 to the Library, which was crucial to maintaining current open hours and the book fund. Another \$2,965 was raised and spent on museum passes, for family use, and other services.

The current fund drive of the Friends has received 255 donations. The Trustees encourage Library supporters to consider that voluntary tax-deductible gifts are the only way the Library can maintain level service, when Town tax revenue fails to keep up with costs.

A generous donor has added \$2,000 to the Evelyn Wood Memorial Fund, a permanent book endowment. This fund is one of 13 endowment funds created between 1901 and 1989. A notebook in the New Book Room lists the funds and the books purchased with them.

Budget constraints compel us again to consider a further reduction in open hours or book fund. Unavoidable cost increases must be taken out of staff needed to keep the Library open, or out of the book budget, if Town tax support cannot maintain level service. We believe it is wrong to reduce Library open hours. The Library has been closed Wednesdays since 1982. Library use shifted from Wednesdays to other days, making the Library and its parking area more crowded. The Town has invested a great deal in the facilities and in the book and magazine collections. It is a shame to lock the doors at times people would make good use of these valuable resources. The Library appropriation is less than 2 cents of the tax dollar.

The Library uses volunteers to the greatest extent of any similar agency we know of and 60 people give more than 2,400 hours a year. We gratefully acknowledge, on behalf of users and taxpayers, this valuable help.

The Library's membership in the Old Colony Library Network improved service during the year. OCLN is a computerized network of 21 public libraries. A new computer system was installed in February at the central site in Canton. The Library has installed public access catalog terminals and now patrons can search the collections of 21 libraries. The staff can send electronic mail to member libraries, increasing the speed with which books and information are exchanged between libraries. We are continuing the task of entering our holdings into the computer file. As of January 1, 1991, we have entered 48% of adult books. We no longer type and file catalog cards.

The board welcomed new Trustee Lucille McLoughlin, following her election in April. Mrs. McLoughlin has been a long-time member of the Friends of the Library and a volunteer

in the Library.

The board conducted a formal performance evaluation of the Chief Librarian, and the Chief Librarian conducted evaluations of the staff. The staff voted to form a collective bargaining unit. The Board of Trustees and the Board of Selectmen have recognized the unit; negotiations have not yet begun.

During the Summer, the children's librarian conducted a reading incentive program in cooperation with the schools in which 122 children read 2,200 books.

The school department used a Federal grant to create a new collection in the public library, the Early Childhood Resource Collection of books and nonbook materials, for parents and teachers. An annotated bibliography of the collection is available at the Library and at the office of the School Superintendent.

We gratefully acknowledge gifts totaling \$460 to the book fund in memory of loved ones. A list of the gifts and books purchased may be seen in the gift notebook in the New Book Room.

In fiscal year 1990, the Library loaned over 77,000 items for home use. This equals 30 loans per open hour, or 11 loans per resident. (Average rate of loans in Massachusetts public libraries is 5.7 per resident.) If the average value of a loaned item is \$20, then these loans are worth more than \$200 per resident. In-house use of materials, facilities and staff is probably worth another \$200. The total tax cost of operating the Library is about \$31 per resident.

Correction to last year's report: the endowment funds produce 5.4% of the operating budget (not 20%).

Respectfully submitted,

Richard E. Hayes, Chief Librarian

Recreation Commission

It is with distinct pleasure that the report of your Recreation Commission is submitted, as we enter our fifteenth year of full-time operation and service to our community.

During Fiscal Year 1990, the Recreation Commission served 6,128 individuals with a wide spectrum of services designed for residents of all ages. Most services are now provided via 100% financially self-supporting systems, reflecting no direct costs to taxpayers. At this juncture, only four children's/youth programs are conducted with budgeted monies; all other services must generate 100% of the associated costs of any given service.

While approximately \$20,000 of budget money was expended for the operation of the four programs and issuance of beach stickers, those activities generated \$45,274.25 for the General Fund only. General Fund revenues are important to all residents, as those monies are collectively applied towards off-setting the tax rate the following Fiscal Year. To allow for a more finite perspective, the FY 1990 recreation budget of \$60,349.30 generated a total cash flow of \$89,422.25, of which \$45,274.25 went to the General Fund. Further, for the \$15,015.00 budget replacement deficit, over \$200,000 worth of services were provided for residents. The \$15,015.00 deficit, the difference between the recreation budget and revenue deposited in the General Fund only, translates as follows: The FY 1990 tax rate was \$9.60, accounting for a total tax levy of \$9,123,493.44. \$15,000.00 is .16% of the tax rate, making

our cost 1 1/2 cents to each tax payer. Naturally, we are pleased with our low financial impact upon taxpayers and high yield of services ratio; however, especially impressive are the reasons that have manifested this situation, which remain particularly satisfying. Community interest, participation and support, are the three factors dictating the ratio of service vs. cost, as it has been via community participation that these equations exist year after year.

Participation comes in many forms, aside from just activity attendance levels. While the level of program/activity participation remains exceptionally high, it has been participation in other areas that remains impressive and vital. Volunteerism indicative of a number of community attributes, continues at an extremely high level, allowing for many far-reaching, acute impacts regarding our services, but also impacting on the general quality of life in our community.

Especially during the past three years, a remarkable level of support and interest has been provided via still another means of participation. That is, donation and gift. Currently, the Recreation Commission can offer some events/activities only because of private donations supporting specific services. Summer band concerts have been financed for the past two years through the generosity of the South Shore Playhouse Associates, Inc., coupled with a matching grant from the American Federation of Musicians. The Annual Easter Egg Hunt is sponsored fully by numerous donations from residents, civic and business organizations, business establishments of Cohasset, and volunteer help.

The Recreation Commission wrestles constantly with the conflicts between the concepts of 100% financial self-support and equal access of all residents to all services at all times. It is the role and duty of public recreation to insure equal and universal access of residents to all leisure and associated services. To account for accessibility, it remains essential to keep per capita fee charges as low as possible while retaining the capability of reducing, or waiving fee charges upon request. Allowing for this condition can cause conflict with the concepts and abilities encountered with achievement of absolute financial independence. The Recreation Commission expends much effort towards these considerations in the best interests of all residents.

The Recreation Commission has facilities to oversee and maintain this function. It has been through the continued auspices of numerous Town departments and organizations that repair and maintenance is facilitated. We are especially grateful and indebted to the Tree, Park and Cemetery, Highway, Wire, and School departments of their continued efforts on our behalf.

Our capability to purchase or lease equipment/supplies/materials, or facilities, is extremely restricted and it has been via the continued cooperation of the School Department, Cohasset Soccer Club, and Cohasset Basketball Boosters Club that we have been able to provide beyond the level of our financial ability. (It has been because of coordinated and cooperative efforts of numerous organizations, town departments, and residents that much can be accounted for.)

The seven-member, elected Recreation Commission volunteer time, effort, and expertise. The focus of concern of the Commission is serving the best interest of all residents. Recreation Commission meetings are held at least once monthly, and all meetings are open

to the public. It is through direct input, feedback and community involvement that we are best able to serve.

Social Service League

The Social Service League, under contract with the Board of Health, offers Public Health Nursing services to Town residents. These services include: monthly Keep Well Clinics, health promotion and education programs, and communicable disease follow-up. The League office at 16 Highland Avenue is open for blood pressure checks, blood sugar and anemia screening, tuberculin testing, and general health consultation. The office hours are Monday, Wednesday, and Friday from 8:30 to 9:30 a.m. 12:30 to 1:30 p.m.

Regular Keep Well Clinics were held at the monthly meetings of the 60+ Club, at senior citizen housing, 60 Elm Street, and at the Senior Center luncheons at the Parish House. These clinics are open to all Town residents.

Additional clinics held this year included: a lead screening for the Town's pre-schoolers, a lazy eye screening at the Town's nursery schools, a blood pressure clinic at the Post Office, three mammography screenings, two flu immunization clinics; tuberculin testings at the Stop & Shop and Chart House restaurant, and two cholesterol screenings.

The Annual Health Fair on May 10 provided residents the opportunity to participate in approximately twenty health screenings and programs, and to become familiar with various resources and agencies available in our community.

The League will continue to work cooperatively with the Board of Health Agent, Joe Godzik, the members of the Board of Health, the Senior Center, and the Council on Aging, for the purpose of enhancing health awareness and promoting optimum health among the senior population and all the residents in the community.

The Nursing Committee meets regularly and continues to offer support and ideas for new programs which will help to meet the diverse health needs of our Town residents reflected in our yearly statistics.

A special word of thanks is expressed to our many volunteers for their loyal service and assistance to the League.

EDUCATION

South Shore Regional Vocational/Technical High School

We often hear in today's economy references to improving the value of a product or service by adding something to it, or improving its efficiency, or polishing it to a higher sheen. In the jargon of economists it is called "**value added**". The most important national product or resource we have is clearly our children. Most of us take great pains to select or encourage only those activities or inputs into our children's lives that will add to their character, improve their intellectual skills, strengthen their bodies and make them more competitive in an increasingly competitive work place. In short, we too do what we can to "add value" to our children's lives.

For the past 29 years, South Shore Regional Vocational Technical High School has been adding value to the lives of thousands of students from Southeastern Massachusetts. In fact, it has added significant value to the economy and social life of the South Shore area. Nearly 31% of our graduates over the years have gone on to assume leadership and/or ownership positions in businesses and industry in our region. That's an added value. Every year South Shore provides dozens of services for our member towns, including printing forms and booklets, providing culinary services to special town projects, painting and decorating municipal buildings, discount culinary and cosmetology services to senior citizens, building houses and additions for local citizens and repairing myriads of town vehicles. This represents not only value added to our member towns, but significant savings for them as well.

In truth, your community has added value to South Shore Vo Tech and enhanced its potential to serve the citizens of the region for nearly three decades. The academic and technical education available at South Shore enjoys the reputation of being "top shelf". Every year approximately 80% of our graduates go directly into the work force in the career areas for which they have been trained. On the average, 15% will go on to college and 3% into the military. Currently there are 409 students enrolled at the school. Ninety-six or 23% are female while 313 or 77% are male. Last June, one student from your community graduated

from South Shore, Nicole Woodland.

As of October 1, 1990, three students from your town are enrolled in several of the present 17 programs offered at the school.

South Shore has been proud to serve the community of Cohasset and the region over the years. We appreciate your support and pledge to continue to deliver the highest quality programs it is within our power to provide to you and to your children and to continue to **add value** to the entire South Shore Community.

Respectfully submitted,
Laurence J. Mitchell
Cohasset Representative

School Committee and Superintendent of Schools

During this past year the school system has continued to face the challenge presented by the combination of increased enrollment and decreased financial resources. Although enrollment on a K-12 basis increased modestly, the substantial increase at the elementary level necessitated the employment of an additional classroom teacher at the Osgood School. We remain committed to maintaining class sizes in the low 20's at the early elementary level. Since the increase to the school budget originally approved by the Town Meeting was reduced to the 4.5% level as a result of the override vote and decreased state assistance, we were forced to reduce offerings at the secondary level in order to accommodate the increased operating expenses at the elementary level. As a result of these reductions at the secondary level, the comprehensive nature of our high school program has been placed in jeopardy. Should additional reductions be required in the living arts areas the future of comprehensive education in Cohasset will be at real risk. In addition to reduction in the living arts areas, offerings in foreign language and physical education were also reduced.

Despite these reductions to our educational offerings, we have been able to maintain a strong academic program for our students. This strength is evidenced by the outstanding performance of our students both on standardized achievement tests and State administered basic skills and assessment instruments. These results are due to the dedication of our excellent teaching staff, the support of our parents and the community, and undoubtedly the ability and motivation of our student body. We have, however, reached a point where continued erosion of our educational system cannot be tolerated.

If the community expects our students to maintain their competitive status with their counterparts across the State and nationally, then a commitment must be made to support our programs at a level which will ensure the continued academic success of our students.

This past year also marked the retirement of Jack Creamer, Principal of the Osgood School. Jack, who was a teacher and administrator in the Cohasset School system for 36 years, will certainly be missed by all. Jack had a true love for the children with whom he worked

during his years in Cohasset and this caring attitude is reflected in the warm, supportive environment which typifies the Osgood School.

Also during the last year Cohasset joined with the Scituate and Hull School Systems in developing four regional in-service programs for staff. These same three systems are also exploring the expanded use of new technologies to expand both professional development opportunities for our teaching staff as well as additional course offerings for our students. We believe that our faculty will benefit greatly from this opportunity to share educational philosophies and practices with their colleagues from other systems.

Reviews of foreign language at the secondary level and reading at the elementary level were completed during the past year. During the present school year we will be reviewing the English and reading curricula at the high school and mathematics in the elementary schools. We believe that this regular review process is essential in order to ensure that our curriculum is relevant to the needs of our student body.

Substantial renovations were made to the Osgood School during the past year. These included the construction of three instructional areas in the open space area previously used to house our two kindergarten classes. The boys' and girls' bathrooms at Osgood underwent much needed renovations and both are now handicapped accessible. The heating system was modified so that the severe over and under heating of areas of the building was eliminated and the septic systems at both the Osgood and Deer Hill Schools were rebuilt. We would like to express our thanks to the various Town departments, including the Highway Department, Tree and Park Department, and the Wire Department, which worked cooperatively to reduce the costs of the septic system installations. We would estimate that these projects were completed at approximately fifty percent of what the cost would have been had they been constructed by private vendors.

We sincerely thank all members of the community for their continuing support of the school system and assure you that we will do all in our power to continue to provide high quality education to the children of Cohasset.

Respectfully submitted,

COHASSET SCHOOL COMMITTEE
